CIVIL RIGHTS
COMPLIANCE REVIEW GUIDE

Equal Employment Opportunity Compliance Review in the Cooperative Extension Service Cooperating with the U. S. Department of Agriculture and County Governments.
Civil Rights Compliance Review Guide*

This civil rights compliance review guide is for NIFA-USDA Equal Opportunity Specialists use in conducting State Extension Reviews. The guide also serves as the primary document to help Extension administrators, faculty and staff prepare for a civil rights review. Equally important, the guide serves as an educational document that reminds us of what is necessary to assure that we are working in compliance with equal opportunity policies in the implementation of our Extension programs, that every customer and colleague are treated with fairness, equality, and respect, and that we are inclusive and have adequate diversity. Compliance reviews are regular, systematic, inspections required by USDA and the Department of Justice civil rights regulations.

NIFA’s Equal Opportunity Specialist will use the guide as the basis for the Equal Employment Opportunity compliance review. Additional information, data, and/or documentation will be requested as needed. State partners should not send program information and data prior to an on-site review without consulting with the Director of NIFA-Equal Opportunity staff.

* NIFA developed this review guide with input, direction, guidance, and technical assistance from State land-grant universities faculty members and administrators, including representatives from ECOP.

EMPLOYMENT COMPLIANCE REVIEW

PREAMBLE

The employment review is a component of the Civil Rights Review conducted by the United States Department of Agriculture, National Institute of Food and Agriculture (NIFA) Equal Opportunity Office. The Employment review will determine whether the Extension Director and/or 1890 Administrator are fulfilling his/her obligations of nondiscrimination and affirmative action in Extension employment. NIFA Civil Rights Employment reviews are conducted consistent with the following major statutes and Departmental Regulations:

- Title VI of the Civil Rights Act of 1964
- Title VII of the Civil Rights Act of 1964
- The Age Discrimination Act of 1967, as amended
- Title IX of the Education Amendments of 1972
- The Equal Pay Act of 1963, as amended
- The Rehabilitation Act of 1973
- American with Disabilities Act of 1990
- The Civil Rights Act of 1991
- Other relevant Federal laws and regulations.

The equal employment opportunity review is intended as part of a proactive effort, to determine how well Extension employment policies and practices are ensuring that all employees and job applicants have equal access and opportunities in every aspect of Extension employment activities. These activities include but not limited to the following: employment, promotion, demotion, transfer, recruitment; layoff or termination; rates of pay or other forms of compensation; and training (to include apprenticeships). NIFA will also review employment policies, procedures, and activities as they relate to the delivery of Extension programs. The review will examine the equal employment opportunity efforts of all employees responsible for employment decisions. It will determine whether employment decisions are based on any employee or applicant’s race, color, religion, sex, national origin, age, or disability.
