Caroline Musgrove Coons Writing Scholarship
Sophomore and Junior English Majors
Tuition Reimbursement

Purpose:
To provide scholarship(s) to sophomore- and junior-level English majors at the University of Alaska Fairbanks (UAF). The purpose of the award is to encourage students to become better writers. Recipients will use scholarship earnings to reduce or completely defray the cost of tuition for one academic year.

Eligibility:
Recipients must be declared English majors in their sophomore or junior years at UAF. They also must be full-time students during the academic year that they are applying for the award.

Submission:
Students should submit creative or academic writing samples that are no longer than 25 pages. They should make sure that their names are removed from all work before submitting it. However, students should write their student I.D. numbers on the first page of their samples. In addition, students should submit a letter detailing their educational goals and a letter of recommendation from a university faculty member. (They also should fill out the attached cover sheet form.)

Selection Process:
The Composition Committee will serve as the selection committee for the scholarship(s). Committee members will base their decision on a review of the writing sample, the student letter, and the nominating letters.
