Eileen’s House would like to welcome our new RA for the female dorm.

Alison Bankston is a General Science major and it is her second year at UAF. She is from Barrow AK and has lived at Eileen’s House for 2 years and is excited to take on the position.

Barrow Cheerleaders Visit UAF!

Members of Barrow High School cheer leading team visited UAF and Eileen's House in September when they traveled to Fairbanks to watch the Whalers defeat Monroe High School's football team 62-2. Eileen's House Program Manager & recruiter toured the group around campus where they grabbed lunch, checked out the dorm, visited with advisors at Rural Student Services, and got to watch the Nooks Hockey Team practice!
Jack Dalton and the cast of his play, Assimilation, came to perform in Fairbanks. The female cast roomed at the dorm. Assimilation is a play that sheds light on how Alaskan Native peoples were treated by missionaries, and what some boarding schools were like at the time, but with a twist: Alaskan Natives are the ones who run the boarding schools while western people new to Alaska are the ones who attend them. It is a highly emotional topic that shows what Native people went through in becoming a part of the United States.
End Of the Year Fun!
