

Eagles Lyrics

Hotel California 1976

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night.

There she stood in the doorway;
I heard the mission bell
And I was thinking to myself
'This could be heaven or this could be Hell'
Then she lit up a candle and she showed me the way
There were voices down the corridor,
I thought I heard them say

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face.
Plenty of room at the Hotel California
Any time of year (any time of year) you can find it here

Her mind is Tiffany-twisted, she got the Mercedes bends
She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget

So I called up the Captain,
'Please bring me my wine'
He said, 'we haven't had that spirit here since nineteen sixty-nine'
And still those voices are calling from far away,
Wake you up in the middle of the night
Just to hear them say"

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face.
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise), bring your alibis

Mirrors on the ceiling,
The pink champagne on ice
And she said, 'we are all just prisoners here, of our own device'
And in the master's chambers,

They gathered for the feast
They stab it with their steely knives,
But they just can't kill the beast

Last thing I remember, I was
Running for the door
I had to find the passage back to the place I was before
'Relax' said the night man,
'We are programmed to receive.
You can check out any time you like,
But you can never leave!'

"Sweet Dreams (Are Made Of This)" lyrics

Eurythmics Lyrics

"Sweet Dreams (Are Made Of This)"

Sweet dreams are made of this
Who am I to disagree?
I travel the world and the seven seas
Everybody's looking for something

Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Sweet dreams are made of this
Who am I to disagree?
I travel the world and the seven seas
Everybody's looking for something

Hold your head up, keep your head up, movin' on
Hold your head up, movin' on, keep your head up, movin' on
Hold your head up, movin' on, keep your head up, movin' on
Hold your head up, movin' on, keep your head up

Some of them want to use you
Some of them want to get used by you
Some of them want to abuse you
Some of them want to be abused

Sweet dreams are made of this
Who am I to disagree?
I travel the world and the seven seas
Everybody's looking for something

Sweet dreams are made of this
Who am I to disagree?
I travel the world and the seven seas
Everybody's looking for something

Sweet dreams are made of this
Who am I to disagree?
I travel the world and the seven seas
Everybody's looking for something

Sweet dreams are made of this
Who am I to disagree?
I travel the world and the seven seas
Everybody's looking for something

"Cracklin' Rosie" lyrics

Neil Diamond Lyrics

"Cracklin' Rosie"

Aw, Cracklin' Rosie, get on board
We're gonna ride
Till there ain't no more to go
Taking it slow
And Lord, don't you know
We'll have me a time with a poor man's lady

Hitchin' on a twilight train
Ain't nothing here that I care to take along
Maybe a song
To sing when I want
No need to say please to no man
For a happy tune

Oh, I love my Rosie child
You got the way to make me happy
You and me we go in style
Cracklin' Rose,
You're a store-bought woman
But you make me sing like a guitar hummin'
So hang on to me, girl,
Our song keeps runnin' on
Play it now, play it now
Play it now, my baby

Cracklin' Rosie, make me a smile
Girl, if it lasts for an hour, that's all right
We got all night to set the world right
Find us a dream that don't ask no questions
Yeah

Oh, I love my Rosie child
You got the way to make me happy
You and me we go in style
Cracklin' Rose,
You're a store-bought woman
But you make me sing like a guitar hummin'
So hang on to me, girl
Our song keeps runnin' on
Play it now, play it now
Play it now, my baby

Cracklin' Rosie, make me a smile
Girl, if it lasts for an hour, that's all right
We got all night
To set the world right

Find us a dream that don't ask no questions
Ba ba ba ba ba

"7 O'Clock News / Silent Night" lyrics

Simon & Garfunkel Lyrics

"7 O'Clock News / Silent Night"

This is the early evening edition of the news.
The recent fight in the House of Representatives was over the open housing
section of the Civil Rights Bill.
Brought traditional enemies together but it left the defenders of the
measure without the votes of their strongest supporters.
President Johnson originally proposed an outright ban covering discrimination
by everyone for every type of housing but it had no chance from the start
and everyone in Congress knew it.
A compromise was painfully worked out in the House Judiciary Committee.
In Los Angeles today comedian Lenny Bruce died of what was believed to be an
overdose of narcotics.
Bruce was 42 years old.
Dr. Martin Luther King says he does not intend to cancel plans for an open
housing march Sunday into the Chicago suburb of Cicero.
Cook County Sheriff Richard Ogleby asked King to call off the march and the
police in Cicero said they would ask the National Guard to be called out
if it is held.
King, now in Atlanta, Georgia, plans to return to Chicago Tuesday.
In Chicago Richard Speck, accused murderer of nine student nurses, was brought
before a grand jury today for indictment.
The nurses were found stabbed and strangled in their Chicago apartment.
In Washington the atmosphere was tense today as a special subcommittee of the
House Committee on Un-American activities continued its probe into anti-
Viet nam war protests.
Demonstrators were forcibly evicted from the hearings when they began chanting
anti-war slogans.
Former Vice-President Richard Nixon says that unless there is a substantial
increase in the present war effort in Viet nam, the U.S. should look forward
to five more years of war.
In a speech before the Convention of the Veterans of Foreign Wars in New York,
Nixon also said opposition to the war in this country is the greatest single
weapon working against the U.S.
That's the 7 o'clock edition of the news,
Goodnight.

Silent night
Holy night
All is calm
All is bright
Round yon virgin mother and child
Holy infant so tender and mild
Sleep in heavenly peace, sleep in heavenly peace.

"I Am A Rock" lyrics

Simon & Garfunkel Lyrics

"I Am A Rock"

A winter's day
In a deep and dark December
I am alone
Gazing from my window
To the streets below
On a freshly fallen, silent shroud of snow
I am a rock
I am an island

I've built walls
A fortress, steep and mighty
That none may penetrate
I have no need of friendship
Friendship causes pain.
It's laughter and it's loving I disdain.
I am a rock
I am an island

Don't talk of love
Well, I've heard the words before
It's sleeping in my memory
And I won't disturb the slumber
Of feelings that have died
If I never loved, I never would have cried
I am a rock
I am an island

I have my books
And my poetry to protect me
I am shielded in my armor
Hiding in my room
Safe within my womb
I touch no one and no one touches me
I am a rock
I am an island

And a rock feels no pain
And an island never cries

"Baby Don't Go" lyrics

Sonny & Cher Lyrics

"Baby Don't Go"

Baby don't go,
Pretty baby please don't go

I never had a mother,
I hardly knew my dad
I've been in town for eighteen years
You're the only boy I've had
I can't stay,
Maybe I'll be back some day

Baby don't go,
Pretty baby please don't go
I love you so,
Pretty baby please don't go

I never had no money
I bought at the second hand store
The way this old town laughs at me
I just can't take it no more
I can't stay,
I'm gonna be a lady some day

Baby don't go,
Pretty baby please don't go
I love you so,
Pretty baby please don't go

When I get to the city,
My tears will all be dry
My eyes will look so pretty
No one's gonna know I cried
Yes I'm goin' away,
Maybe I'll be back some day

Baby don't go,
Maybe I'll be back some day
Baby don't go
