

Somebody to Love

When the truth is found
To be lies
And all the joy
Within you dies

Don't you want somebody to love
Don't you need somebody to love
Wouldn't you love somebody to love
You better find somebody to love, love

When the garden flowers
Baby, are dead, yes
And your mind, your mind
Is so full of red

Don't you want somebody to love
Don't you need somebody to love
Wouldn't you love somebody to love
You better find somebody to love

Your eyes, I say your eyes
May look like his
Yeah, but in your head, baby
I'm afraid you don't know where it is

Don't you want somebody to love
Don't you need somebody to love
Wouldn't you love somebody to love
You better find somebody to love

Tears are running
They're all running down your dress
And your friends, baby
They treat you like a guest

Don't you want somebody to love
Don't you need somebody to love
Wouldn't you love somebody to love
You better find somebody to love

Joe Cocker Lyrics

"Darling Be Home Soon"

(originally by John Sebastian)

Come
And talk of all the things we did today
Here
And laugh about our funny little ways
While we have a few minutes to breathe
Then I know that it's time you must leave

But darling be home soon
I couldn't bear to wait an extra minute if you dawdled
My darling be home soon
It's not just these few hours but I've been waiting since I toddled
For the great relief of having you to talk to

And now
A quarter of my life is almost past
I think I've come to see myself at last
And I see that the time spent confused
Was the time that I spent without you
And I feel myself in bloom

So darling be home soon
I couldn't bear to wait an extra minute if you dawdled
My darling be home soon
It's not just these few hours but I've been waiting since I toddled
For the great relief of having you to talk to

[Instrumental break]

Darling be home soon
I couldn't bear to wait an extra minute if you dawdled
My darling be home soon
It's not just these few hours but I've been waiting since I toddled
For the great relief of having you to talk to

Go
And beat your crazy head against the sky
Try
And see beyond the houses and your eyes
It's ok to shoot the moon

So darling
My darling be home soon
I couldn't bear to wait an extra minute if you dawdled
My darling be home soon
It's not just these few hours but I've been waiting since I toddled
For the great relief of having you to talk to

"Free Man In Paris" lyrics

Joni Mitchell Lyrics

"Free Man In Paris"

The way I see it, he said, you just can't win it
Everybody's in it for their own gain
You can't please 'em all
There's always somebody calling you down
I do my best and I do good business
There's a lot of people asking for my time
They're trying to get ahead
They're trying to be a good friend of mine

I was a free man in Paris
I felt unfettered and alive
There was nobody calling me up for favors
And no one's future to decide
You know I'd go back there tomorrow
But for the work I've taken on
Stoking the star-maker machinery
Behind the popular song

I deal in dreamers and telephone screamers
Lately I wonder what I do it for
If I had my way
I'd just walk through those doors
And wander down the Champs-Élysées
Going café to cabaret
Thinking how I'd feel when I find
That very good friend of mine

I was a free man in Paris
I felt unfettered and alive
Nobody was calling me up for favors
No one's future to decide
You know I'd go back there tomorrow
But for the work I've taken on
Stoking the star-maker machinery
Behind the popular song

"Both Sides Now" lyrics

Joni Mitchell Lyrics

"Both Sides Now"

Rows and flows of angel hair
And ice cream castles in the air
And feather canyons everywhere
I've looked at clouds that way

But now they only block the sun
They rain and snow on everyone
So many things I would have done
But clouds got in my way

I've looked at clouds from both sides now
From up and down, and still somehow
It's cloud illusions I recall
I really don't know clouds at all

Moons and Junes and Ferris wheels
The dizzy dancing way you feel
As every fairy tale comes real
I've looked at love that way

But now it's just another show
You leave 'em laughing when you go
And if you care, don't let them know
Don't give yourself away

I've looked at love from both sides now
From give and take, and still somehow
It's love's illusions I recall
I really don't know love at all

Tears and fears and feeling proud
To say "I love you" right out loud
Dreams and schemes and circus crowds
I've looked at life that way

But now old friends are acting strange
They shake their heads, they say I've changed
Well something's lost, but something's gained
In living every day

I've looked at life from both sides now
From win and lose and still somehow
It's life's illusions I recall
I really don't know life at all

I've looked at life from both sides now
From up and down and still somehow
It's life's illusions I recall
I really don't know life at all

Fool in the Rain

Oh, baby
Well there's a light in your eye that keeps shining
Like a star that can't wait for night
I hate to think I been blinded baby
Why can't I see you tonight?
And the warmth of your smile starts a burning
And the thrill of your touch give me fright
And I'm shaking so much, really yearning
Why don't you show up and make it alright, yeah?
It's alright right

And if you promised you'd love so completely
And you said you would always be true
You swore that you never would leave me baby
Whatever happened to you?
And you thought it was only in movies
As you wish all your dreams would come true, hey
It ain't the first time believe me baby
I'm standing here feeling blue, blue ha!
Yes I'm blue
Oh, babe

Now I will stand in the rain on the corner
I watch the people go shuffling downtown
Another ten minutes no longer
And then I'm turning around, 'round
And the clock on the wall's moving slower
Oh, my heart it sinks to the ground
And the storm that I thought would blow over
Clouds the light of the love that I found, found

Light of the love that I found
Light of the love that I found
Oh, that I found

Hey, babe, ooh

Hand that ticks on the clock
Just don't seem to stop
When I'm thinking it over
Oh, tired of the light
I just don't seem to find
Have you wait, yeah played
Whoa, I see it in my dreams

But I just don't seem to be with you, you
I gotta get it all, gotta get it all, gotta get it all
I've got to get all

Ooh now my body is starting to quiver
And the palms of my hands getting wet, oh
I got no reason to doubt you baby
It's all a terrible mess
And I'll run in the rain till I'm breathless
When I'm breathless I'll run till I drop, hey!
And the thoughts of a fool's gotta count
I'm just a fool waiting on the wrong block, oh yeah

Hey, now, oh, oh, oh
Light of the love that I found
Light of the love that I found
Light of the love that I
Light of the love that I found
Light of the hey, now light of the hey, now
Light of the love that I found
Light of the love that I found

Leonard Cohen Lyrics

"So Long Marianne"

Come over to the window, my little darling,
I'd like to try to read your palm.
I used to think I was some kind of Gypsy boy
before I let you take me home.
Now so long, Marianne, it's time that we began
to laugh and cry and cry and laugh about it all again.

Well you know that I love to live with you,
but you make me forget so very much.
I forget to pray for the angels
and then the angels forget to pray for us.

Now so long, Marianne, it's time that we began ...

We met when we were almost young
deep in the green lilac park.
You held on to me like I was a crucifix,
as we went kneeling through the dark.

Oh so long, Marianne, it's time that we began ...

Your letters they all say that you're beside me now.
Then why do I feel alone?
I'm standing on a ledge and your fine spider web
is fastening my ankle to a stone.

Now so long, Marianne, it's time that we began ...

For now I need your hidden love.
I'm cold as a new razor blade.
You left when I told you I was curious,
I never said that I was brave.

Oh so long, Marianne, it's time that we began ...

Oh, you are really such a pretty one.
I see you've gone and changed your name again.
And just when I climbed this whole mountainside,
to wash my eyelids in the rain!

Oh so long, Marianne, it's time that we began ...
