America Lyrics
"A Horse With No Name"

On the first part of the journey
I was looking at all the life
There were plants and birds and rocks and things
There was sand and hills and rings
The first thing I met was a fly with a buzz
And the sky with no clouds
The heat was hot and the ground was dry
But the air was full of sound

I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la, la la la, la la, la la...
La, la, la la la la, la la la, la la...

After two days in the desert sun
My skin began to turn red
After three days in the desert fun
I was looking at a river bed
And the story it told of a river that flowed
Made me sad to think it was dead

You see I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la, la la la, la la, la la...

After nine days I let the horse run free
'Cause the desert had turned to sea
There were plants and birds and rocks and things
There was sand and hills and rings
The ocean is a desert with its life underground
And a perfect disguise all above
Under the cities lies a heart made of ground
But the humans will give no love

You see I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
'Cause there ain't no one for to give you no pain
La, la, la la la, la la, la la... [repeats]

America Lyrics

"Sandman"

Ain't it foggy outside
All the planes have been grounded
Ain't the fire inside?
Let's all go stand around it
Funny, I've been there
And you've been here
And we ain't had no time to drink that beer

'Cause I understand you've been running from the man
That goes by the name of the Sandman
He flies the sky like an eagle in the eye
Of a hurricane that's abandoned

Ain't the years gone by fast
I suppose you have missed them
Oh, I almost forgot to ask
Did you hear of my enlistment?

Funny, I've been there
And you've been here
And we ain't had no time to drink that beer

'Cause I understand you've been running from the man
That goes by the name of the Sandman
He flies the sky like an eagle in the eye
Of a hurricane that's abandoned

I understand you've been running from the man
That goes by the name of the Sandman
He flies the sky like an eagle in the eye
Of a hurricane that's abandoned

I understand you've been running from the man
That goes by the name of the Sandman
He flies the sky like an eagle in the eye
Of a hurricane that's abandoned

I understand you've been running from the man
That goes by the name of the Sandman
He flies the sky like an eagle in the eye
Of a hurricane that's abandoned

Bob Seger Lyrics

"Against The Wind"

It seems like yesterday
But it was long ago
Janey was lovely, she was the queen of my nights
There in the darkness with the radio playing low
And the secrets that we shared
The mountains that we moved
Caught like a wildfire out of control
Till there was nothing left to burn and nothing left to prove

And I remember what she said to me
How she swore that it never would end
I remember how she held me oh so tight
Wish I didn't know now what I didn't know then

Against the wind
We were runnin' against the wind
We were young and strong, we were runnin'
Against the wind

And the years rolled slowly past
And I found myself alone
Surrounded by strangers I thought were my friends
I found myself further and further from my home
And I guess I lost my way
There were oh so many roads
I was living to run and running to live
Never worried about paying or even how much I owed
Moving eight miles a minute for months at a time
Breaking all of the rules that would bend
I began to find myself searchin'
Searchin' for shelter again and again
Against the wind
A little something against the wind
I found myself seeking shelter against the wind

Well those drifters days are past me now
I've got so much more to think about
Deadlines and commitments
What to leave in, what to leave out

Against the wind
I'm still runnin' against the wind
I'm older now but still running
Against the wind
Well I'm older now and still running
Against the wind

Bob Seger Lyrics

"Turn The Page"

On a long and lonesome highway, east of Omaha
You can listen to the engine moanin' out its one-note song
You can think about the woman, or the girl you knew the night before

But your thoughts will soon be wandering the way they always do
When you're riding sixteen hours and there's nothing much to do
And you don't feel much like riding, you just wish the trip was through

Say here I am, on a road again
There I am, up on the stage
Here I go, playing the star again
There I go, turn the page

Well, you walk into a restaurant strung-out from the road
And you feel the eyes upon you as you're shaking off the cold
You pretend it doesn't bother you but you just want to explode

Most times you can't hear 'em talk, other times you can
All the same old clichés: "Is that a woman or a man?"
And you always seem outnumbered, you don't dare make a stand

Here I am, on a road again
There I am, up on the stage
Here I go, playing the star again
There I go, turn the page

Out there in the spotlight you're a million miles away
Every ounce of energy you try to give away
As the sweat pours out your body like the music that you play

Later in the evening as you lie awake in bed
With the echoes from the amplifiers ringin' in your head
You smoke the day's last cigarette, remembering what she said

Ah, here I am, on a road again
There I am, up on the stage
Here I go, playing the star again
There I go, turn the page

Ah, here I am, on a road again
There I am, up on the stage, yeah
Here I go, playing the star again
There I go, there I go

Beach Boys Lyrics

"A Day In The Life Of A Tree"

Feel the wind burn through my skin
The pain, the air is killing me
For years my limbs stretched to the sky
A nest for birds to sit and sing

But now my branches suffer
And my leaves don't bear the glow
They did so long ago

One day I was full of life
My sap was rich and I was strong
From seed to tree I grew so tall
Through wind and rain I could not fall

But now my branches suffer
And my leaves don't offer
Poetry to men of song

Trees like me weren't meant to live
If all this world can give
Pollution and slow death

Oh Lord I lay me down
No life's left to be found
There's nothing left for me

Trees like me weren't meant to live
If all this earth can give
Is pollution

Trees like me weren't meant to live
(Oh Lord I lay me down)
If all this earth can give
(My branches to the ground)
Is pollution and slow death
(There's nothing left for me)

Oh Lord I lay me down
My branches to the ground
There's nothing left for me
The Box Tops Lyrics

"Whiter Shade Of Pale"

We skipped the light fandango, turned cartwheels 'cross the floor
I was feeling kinda seasick but the crowd called out for more
The room was humming harder as the ceiling flew away
When we called out for another drink, the waiter brought a tray

And so it was, a little later, as the miller told his tale
That her face at first just ghostly turned a whiter shade of pale

She said there is no reason and the truth is plain to see
That I've wondered through my playing cards, would not let her be
One of sixteen vestal virgins who were leaving for the coast
And although my eyes were open, they might just as well have been closed

And so it was, a little later, as the miller told his tale
That her face at first just ghostly turned a whiter shade of pale

And so it was, a little later, as the miller told his tale
That her face at first just ghostly turned a whiter shade of pale
