The Contractor shall include this provision, including this statement, in every subcontract.

(This provision is applicable only to fixed-price contracts)

The Procurement Officer, by written notice, may terminate this contract, in whole or in part, when it is in the Contracting Agency’s interest. If this contract is terminated, the Contracting Agency shall be liable only for payment under the payment provisions of this contract for acceptable services and performance rendered before the effective date of termination, and the contract total price will be adjusted accordingly.

3. TERMINATION FOR DEFAULT - DAMAGES FOR DELAY - TIME EXTENSIONS (FIXED PRICE CONTRACT)
(This provision is applicable only to fixed-price contracts.)

(a) If the Contractor fails to make delivery of work products or to perform the services within the time specified herein or any extension thereof; or
(b) If the Contractor fails to perform any of the other provisions of this contract, or so fails to make progress as to endanger performance of this contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 days (or such longer period as the Procurement Officer may authorize in writing) after receipt of notice from the Procurement Officer specifying such failure.
(c) Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include acts of God or of the public enemy, acts of the government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantines, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies, work products, or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule.

upon direction of the Procurement Officer, protect and preserve the property in possession of the Contractor in which the Contracting Agency has an interest. Payment for completed work and work products delivered to and accepted by the Contracting Agency shall be at the contract price. Payment for partially completed work and work products delivered to and accepted by the Contracting Agency shall be in an amount agreed upon by the Contractor and the Procurement Officer, and failure to agree to such amount shall be a dispute concerning a question of fact which shall be resolved under the Disputes clause of this contract.

(e) The rights and remedies of the Contracting Agency provided in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

(f) As used in subsection (c) of this provision, the terms “subcontractor” and “subcontractors” mean subcontractor(s) at any tier.

(g) If after termination for failure of the Contractor to fulfill its contractual obligations, it is determined that the Contractor had not failed to fulfill contractual obligations, or that such failure was excusable under criteria set forth herein, the termination shall be deemed to have been for the convenience of the Contracting Agency. In such event, settlement costs and the contract price may be adjusted as provided in the Termination For Convenience provision of this contract.

32. PAYMENTS TO THE CONTRACTOR (COST REIMBURSEMENT CONTRACT)

(This provision is applicable only to cost-reimbursement type contracts.)

(a) Payments shall be based on approved Contractor’s invoices submitted in accordance with this article. The sum of payments shall not exceed allowable compensation stated in purchase order(s) and no payments shall be made in excess of the maximum allowable total for this contract.

(b) Contractor’s invoices shall be submitted when services are completed, or monthly for months during which services are performed, as applicable, in a summary format, which details costs incurred for each item identified in the project budget. Backup documentation including but not limited to invoices, receipts, proof of payments and signed time sheets, or any other documentation requested by the Contracting Agency’s Contract Administrator, is required, and shall be maintained by the Contractor in accordance with cost principles applicable to this contact. Contractor invoices shall be signed by the Contractor’s official representative, and shall include a statement certifying that the invoice is a true and accurate billing. Cost principles contained in the federal acquisition regulations, 48 CFR, Subpart 31.3 and OMB circular A-21 shall be used as criteria in the determination of allowable costs.

(c) In the event items on an invoice are disputed, payment on those items will be held until the dispute is resolved. Undisputed items will not be held with the disputed items.

(d) The Contractor shall submit a final invoice and required documentation within 90 days after final acceptance of services by the Contracting Agency. The Contracting Agency will not be held liable for payment of invoices submitted after this time unless prior written approval has been given.

33. EXCUSABLE DELAYS, EXTENSION OF PERFORMANCE PERIOD (COST REIMBURSEMENT CONTRACT)

(This provision is applicable only to cost-reimbursement contracts.)

(a) A party to this contract shall not be held responsible for failure to perform the terms of this contact when performance is prevented by causes beyond the control and without the fault or negligence of the party. An extension of time may be allowed in circumstances of such delay provided that

1. reasonable notice and full particulars are given to the other party, and

2. that the cause of such failure or omission (other than strikes and lockouts) is remedied so far as possible with reasonable dispatch.

(b) Circumstances or causes which may be deemed beyond the control of the party include acts of God, earthquakes, fire, flood, war, civil disturbances, governmentally imposed rules, regulations or moratoriums or any other cause whatsoever whether similar or dissimilar to the causes herein enumerated, not within the reasonable control of the party which through the exercise of due diligence, the party is unable to foresee or overcome. In no event shall any normal, reasonably foreseeable, or reasonably avoidable operational delay be used to excuse or alter a party’s obligation for full and timely performance of its obligations under this contract.

34. TERMINATION OR SUSPENSION OF WORK (COST-REIMBURSEMENT CONTRACT)

(This provision is applicable only to cost-reimbursement contracts.)

(a) This contract may be terminated by either party upon 10 days written notice if the other party fails substantially to perform in accordance with its terms through no fault of the party initiating the termination (default termination). If the Contracting Agency terminates this contract, the Contracting Agency will pay the Contractor for work completed that can be substantiated in whole or in part, either by the Contractor to the satisfaction of the Contracting Agency, or by the
Contracting Agency. If the Contracting Agency becomes aware of any nonconformance with this contract by the Contractor, the Contracting Agency will give prompt written notice thereof to the Contractor. Should the Contractor remain in nonconformance, the percentage of total compensation attributable to the nonconforming work may be withheld.

(b) The Contracting Agency may at any time terminate (convenience termination) or suspend work under this contract for its needs or convenience. In the event of a convenience termination or suspension for more than 3 months, the Contractor will be compensated for authorized services and authorized expenditures performed to the date of receipt of written notice of termination or suspension plus reasonable termination settlement costs as determined by the Contracting Agency. No fee or other compensation for the uncompleted portion of the services will be paid except for already incurred costs applicable to this contract which the Contractor can establish would have been compensated for over the life of this contract and because of the termination or suspension would have to be absorbed by the Contractor.

(c) In the event of termination or suspension, the Contractor shall deliver all work products, reports, estimates, schedules and other documents and data prepared pursuant to this contract to the Contracting Agency.

(d) Upon termination by the Contracting Agency for failure of the Contractor to fulfill its contractual obligations, the Contracting Agency may take over the work and may award another party a contract to complete the work under this contract.

(f) If after termination for failure of the Contractor to fulfill its contractual obligations, it is determined that the Contractor had not failed to fulfill contractual obligations, or that such failure was excusable under criteria set forth in the provision hereof entitled, "Excusable Delays, Extension of Performance Period," the termination shall be deemed to have been for the convenience of the Contracting Agency. In such event, settlement costs and the contract price may be adjusted as provided in this clause for convenience termination.
