When your form is submitted you will be set up to register on-line.

Semester-based distance education courses offered through the College of Rural and Community Development and our associated campuses: Bristol Bay Campus, Chukchi Campus, Interior-Aleutians Campus, Kuskokwim Campus and Northwest Campus.

These distance-delivered courses provide faculty led instruction through a variety of distance education technologies. Students will likely have set meeting times and dates, in-class discussions, and scheduled exams and assignments. These courses offer the advantage of faculty to student and student to student interactions in real-time to enhance learning and provide a broader perspective on the topic. Courses may use one or all of the following delivery methods.

- Audio Conference
- Blackboard/Moodle
- Collaborate

Audio Conference: Students participate in class by dialing a toll-free number and pass code at a pre-arranged time and date. Blackboard may be used for announcements and/or grades. Students should contact the instructor for more information.
