CHILE: A TRIP OF A LIFETIME THAT INCLUDES PATAGONIA AND EASTER ISLAND

Program summary
Journey to Chile: a land of contrasts. Explore one of the most diverse countries in South America. Discover Chile’s capital city, Santiago, and its many contrasts. Witness one of Chile’s UNESCO World Heritage sites: Valparaiso harbor city. By foot and by sea, embrace the natural beauty of North Patagonia landscapes. Discover the history and culture of early colonizers around the Lake District. Admire the mysterious culture of the most isolated place on earth, Easter Island, with its megalithic monuments and legends.

Program dates: November 1–17, 2015

Activity level:
Participants must be able to handle their own luggage and be able to walk from one to three miles per day, climb a few flights and stand in a museum or spot for an hour or more. People able to walk on even and uneven surfaces and who like exploring historic places or a nature trail.

Elevation Notes:
Most of the sites are close to sea level except for Santiago city which is located at an average altitude of 1800 feet.
