    Secondary Education Department

13. **POSITIVE AND NEGATIVE IMPACTS**

    Please specify positive and negative impacts on other courses, programs and departments resulting from the proposed action.

    There are no anticipated negative impacts. Positive impacts include improved student networking across faculty and field mentors and application of research based strategies for improvement of 7-12 student learning.

**JUSTIFICATION FOR ACTION REQUESTED**

The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you ask for a change in # of credits, explain why; are you increasing the amount of material covered in the class? If you drop a prerequisite, is it because the material is covered elsewhere? If course is changing to stacked (400/600), explain higher level of effort and performance required on part of students earning graduate credit. Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the course is not compromised as a result.

Students will be able to increase the number of credits they receive for their student teaching semester. Currently in order to achieve fulltime status undergraduate level students must frequently take at least one additional class outside the School of Education to maintain full time status. Increasing credit potential by adding projects developed by faculty along with students, maximizes potential for learning within field assignments.

3.3 Within their classrooms, candidates will use teacher utilities and applications such as word processing, spread sheets, databases, PowerPoint. and i-Movies using laptop computers and printers to maximize student learning.

ORAL INTENSIVE DESIGNATION
This course fulfills the oral intensive requirement.

ORAL ACTIVITIES IN THIS COURSE WILL FOLLOW THESE RULES:
• A minimum of 15 percent of the graded work in the O course is based on effectiveness of oral communication
• Students receive intermediate instructor assistance in developing presentational competency.
• Students must utilize their communication competency across the span of the semester, not just in a final project.
• Students receive instructor feedback on the success of their efforts at each stage of preparing their presentation.

Specific Guidelines for “O” Designated Courses Emphasizing Public Communication in Medium or Large Class Contexts (Regularly enrolling at least 12 students)
• Each student must be involved in the individual preparation and delivery of at least 3 course presentations of at least 5 minutes duration each, to an audience of at least 12 persons.
• Each presentation must involve questions from the audience and responses by the presenter.
• All presentations must have a clear introduction-body-conclusion organization—appropriate to the discipline.
• All presentations will receive evaluation by the instructor on oral communication competency (including responsiveness to audience questions) as well as on subject mastery.
• Students will receive, as part of the course structure, information/instruction on effective speaking, on organization of material for effective presentation, and on development and use of media and visual aids.

EVALUATION
This course is graded pass/fail. Final determination of the grade is based on:

A. satisfactory completion of course assignments which may include but are not limited to
1. readings on designated topics
2. class discussions
3. Blackboard or auditory or written responses to topical prompts
4. Design, implementation and assessment of units of study which meet criteria determined by SOE

B. Quantitative and qualitative measurement of progress and achievement in fieldwork through rubrics and other appropriate instruments. Utilizing the School of Education Observation Form (Form J-attached) students will receive feedback and assessment of presentations to 7-12 students in classrooms at least 6 times from university supervisors and six times from mentors. Students must demonstrate skills in communication and public speaking in order to successfully meet Alaska Teacher Standards. **A Public**

C. Documentation of progress toward meeting state and national standards
1. Demonstration of background preparation and competence
2. Demonstration of pedagogical skills
3. Demonstration of ability to apply knowledge and skills to teaching
4. Demonstration of technological competence (cross reference EDSC 443.)

**DOCUMENTATION OF COURSE REQUIREMENTS INCLUDED IN STUDENT PORTFOLIO TO DEMONSTRATE COMPETENCE IN ALASKA TEACHER STANDARDS.** Students must prepare a digital portfolio documenting their pre-service experiences. After successfully preparing the portfolio students will present selected portions of the portfolio in a 7-10 minute presentation to faculty, peers and guests. Faculty will give feedback to each presenter utilizing a rubric (attached)

**Credits- 3:** Additional credits (4-9) may be earned by completion of one or more projects developed by students and/or faculty. These may include but are not limited to action research, meta-analyses, development of specified on-line presentations, curricular innovations, service on school or district committees.

**OUTCOMES and EVIDENCE:**

All evidence is presumed to apply to the candidate's specific content area.

**Outcome 1.1- 1.4 B,C,D, Public**
Evidence: Each candidate will implement lessons and units including not but limited to whole lessons, mini-lessons, small and large group activities, and other activities in which the candidate is teaching.
Candidates will base lesson plans on the natural philosophy of the content area(s) and incorporate disciplinary and interdisciplinary themes and outcomes into these field-based lessons and activities.
Candidates will modify general teaching tools and strategies (including technology) to their content area(s), presented in an actual social / cultural context to demonstrate their knowledge of the content area and their knowledge of how to teach it to students with various developmental and instructional needs. Standard: National standards for specific content areas. (See standards for specific content areas in Section II.B.) Each candidate's observation and evaluation forms will contain applicable standards from his/her specific content area(s). Utilizing the School of Education Observation Form (Form J-attached) students will receive feedback and assessment of presentations to 7-12 students in classrooms at least 6 times from university supervisors and six times from mentors.
Students must demonstrate skills in communication and public speaking in order to successfully meet Alaska Teacher Standards.

**Outcome 2.1**
Evidence: Each candidate periodically will reconsider his / her written philosophy of teaching in general and specifically toward teaching their content area to grade 7-12 students. Candidate will update his/her philosophy throughout the course. The most recent version will be on file in the candidate's file box.
Standards: AST-L SS3.2

Evidence: Samples of student work indicating understanding of the nature of the content area and its relationship to human values and endeavors, and to the real world.
Standards: AST-I

Evidence: Written report by mentor and/or supervisor of observed practice, consistent with the written philosophy statement.
Standards: AST-I, SS3.3

**Outcome 2.2**
Evidence: Written lesson plans that reference developmentally-appropriate materials and activities.
Standard: AST-II, SS 1.I-1.I0, SS 2.I-2.5

Evidence: Video sample or written report by mentor and / or supervisor of observed teaching which meets academic developmental needs of adolescent learners.
Standards: AST-II, SS 1.1.1.1 O, SS 2.1-2.5

**Outcome 2.3**
Evidence: Written report by mentor and / or supervisor of observed interactions between the candidate and his / her students which demonstrate respect for their individual and cultural characteristics.
Standards: AST-III, SS 3.3

Evidence: Video sample, written reflection or other documentation of interactions between the candidate and his / her students which demonstrate respect for their individual and cultural characteristics.
Standards: AST-III

Evidence: Syllabus, bibliography or other listing of culturally-appropriate materials being used in the candidate's classroom.
Standards: AST-III

**Outcome 2.4**
Evidence: Sample lesson plans / materials that demonstrate knowledge of content area and how to teach it Standards: AST-IV, SS1.1-1.1 O, SS2.1-2.5Evidence; video sample, written reflection or other documentation by candidate of a lesson that demonstrates knowledge of content area and how to teach it
Standards: AST-IV, SS1.1-1.10, SS2.1-2.5Evidence: written report by mentor and / or supervisor of observed lesson that demonstrates knowledge of content area and how to teach it
Outcome 2.5
Evidence: samples of student assessment instruments including rubrics or other grading tools
Standards: AST-V, SS1.1-1.10, SS2.1-2.5
Evidence: samples of records of student progress and achievement Standards: AST-V, SS1.1-1.10, SS2.1-2.5

Outcome 2.6
Evidence: facsimile of effective physical classroom environment Standards: AST-VI, SS1.1-1.10, SS 2.1-2.5
Evidence: video sample, written reflection or other documentation of students actively engaged in and contributing to learning Standards: AST-VI, SS 1.1-1.1 0, SS 2.1-2.5
Evidence: written report by mentor and/ or supervisor of observed lesson that demonstrates a learning environment in which all students are actively engaged and contributing members Standards: ASTNI, SS1.1-1.10, SS2.1-2.5, SS3.3

Outcome 2.7
Evidence: samples of communication with parents, families, and the community that demonstrate an attitude of partnership Standards: AST-VII

Outcome 2.8
Evidence: artifacts documenting participation in or contribution to professional activities
Standards: AST-VIII
Evidence: Written documentation, calendar, and electronic portfolio indicate scope and sequence of course requirements and method of documenting satisfactory completion of requirements using applied technology Standards: SS3-4

Outcome 3.1
Evidence: Candidates will send copies of written assignments to his/her university supervisor by email or internet as required by their supervisors.
Standard: National standards for the specific content area(s) include appropriate use of technology. (See standards for specific content areas in Section II.B.) Each candidate's observation and evaluation forms will contain applicable standards from his/her specific content area(s) including use of technology.

Outcome 3.2 C and D Public
Evidence: Candidates will prepare an electronic portfolio on a CD or other accessible site to document how their field experiences meet course outcomes, state teacher standards, and national teacher standards. They will use a variety of creative documentation ideas such as animated cartoons, musical compositions, poetry, maps, sociograms, slide shows, and i-Movies of field trips and guest speakers. Standards: National standards for the specific content area(s) include appropriate use of technology. (See standards for specific content areas in Section II.B.) Each candidate's observation and evaluation forms will contain applicable standards from his/her specific content area(s) including use of technology. Students will present selected portions of the portfolio in a 7-10 minute presentation to faculty, peers and guests. Faculty will give feedback to each presenter utilizing a rubric (attached)

Outcome 3.3 B,C,D, Public
Evidence: Candidates will create and teach lessons using applications such as word processing, spreadsheets, databases, Powerpoint, and i-Movies using laptop computers and printers to maximize student learning. Utilizing the School of Education Observation Form (Form J - attached) students will receive feedback and assessment of presentations to 7-12 students in classrooms at least 6 times from university supervisors and six times from mentors. Students must demonstrate skills in communication and public speaking in order to successfully meet Alaska Teacher Standards.
Standards: AST-IV, SS1.1-1.10

READINGS
Current and classic readings on selected topics including:
- academic needs of adolescents - current issues in education
- current practices in education - meeting education standards
- secondary handbook-program expectations, assignments and rubrics

EXPECTATIONS
Students are expected to behave in a manner consistent with that of professionals in the field of education.

CALENDAR
Students are expected to follow the calendars of the school districts in which they are placed for field experiences. Students meet periodically for seminars; times and dates are listed on the following calendar.

ACADEMIC SUPPORT
Academic Support Services including library hours, computer lab hours and services and writing center hours and services can be found at the following website. http://www.uaf.edu/ssspl

DISABILITY SERVICES
The UAF Office of Disability Services implements the Americans with Disabilities Act (ADA), and insures that UAF students have equal access to the campus and course materials. Your instructor will work with the Office of Disability Services (208 WHIT, 907-474-5655) to provide reasonable accommodation to students with disabilities.

UAF Disability Services for Distance Students
UAF has a Disability Services office that operates in conjunction with the College of Rural and Community Development (CRCD) campuses and UAF Center for Distance Education (CDE). Disability Services, a part of UAF Center for Health and Counseling, provides academic accommodations to enrolled students who are identified as being eligible for these services. If you believe you are eligible, please visit the Office of Disability Services on the web or contact a student affairs staff person at your nearest local campus. You can also contact Disability Services on the Fairbanks Campus at (907) 474-5655, fydso@uaf.edu.

Students enrolled in EDSC F472 Secondary Teaching: School Internship II and Seminar are engaged in student teaching while completing the requirements for secondary licensure. Students enrolled in this course participate in grades 7-12 classrooms for an entire semester and are responsible for all classroom instruction for a period of four to six weeks. During the course of their internship, students receive feedback from mentors and university supervisors. The form developed for this purpose is pasted below.
