Note: # of credits are based on contact hours. 800 minutes of lecture = 1 credit. 2400 minutes of lab in a science course = 1 credit. 1600 minutes in non-science lab = 1 credit. 2400-4800 minutes of practicum = 1 credit. 2400-8000 minutes of internship = 1 credit. This must match with the syllabus. See [http://www.uaf.edu/ua.gov/faculty-senate/curriculum/course-degree-procedures/guidelines-for-computing/](http://www.uaf.edu/ua.gov/faculty-senate/curriculum/course-degree-procedures/guidelines-for-computing/) for more information on number of credits.

### 10. COMPLETE CATALOG DESCRIPTION including dept., number, title, credits, credit distribution, cross-listings and/or stacking (50 words or less if possible):

**Example of a complete description:**

**FISH** F487 W, 0  Fisheries Management  
3 Credits  Offered Spring  
Theory and practice of fisheries management, with an emphasis on strategies utilized for the management of freshwater and marine fisheries. Prerequisites: COMM F131X or COMM F141X; ENGL F111X; ENGL F211X or ENGL F213X; ENGL F414; FISH F425; or permission of instructor. Cross-listed with NRM F487. (3+0)

**HSEM** F404  Public Health Emergencies  
3 Credits  Offered as Demand Warrants

This course focuses on the role public health plays in the disaster lifecycle and emergency management. Public Health is relatively new concept in emergency management. Topics including public health's role in fostering community resilience, medical intelligence and disease monitoring, behavioral health recovery, ethical considerations, and planning for vulnerable and special needs populations are examined. (Prerequisites: HSEM 301 or permission of instructor.) (3+0)

### 11. COURSE CLASSIFICATIONS: Undergraduate courses only. Consult with CLA Curriculum Council to apply S or H classification appropriately; otherwise leave fields blank.

Will this course be used to fulfill a requirement for the baccalaureate core? **If YES, attach form.**

- C = Oral Intensive, Format 6
- W = Writing Intensive, Format 7
- X = Baccalaureate Core

**If YES,** check which core requirements it could be used to fulfill:

11.A Is course content related to northern, arctic or circumpolar studies? **If yes, a "snowflake" symbol will be added in the printed Catalog, and flagged in Banner.**

- YES
- NO **XX**
12. **COURSE REPEATABILITY:**

Is this course repeatable for credit? [ ] YES [ ] NO XX

Justification: Indicate why the course can be repeated (for example, the course follows a different theme each time).

How many times may the course be repeated for credit? [ ] TIMES

If the course can be repeated for credit, what is the maximum number of credit hours that may be earned for this course? [ ] CREDITS

If the course can be repeated with variable credit, what is the maximum number of credit hours that may be earned for this course? [ ] CREDITS

13. **GRADING SYSTEM:** Specify only one. Note: Changing the grading system for a course later on constitutes a Major Course Change - Format 2 form.

LETTER: XX PASS/FAIL: [ ]

14. **PREREQUISITES**

HSEM F301 or permission of instructor

These will be required before the student is allowed to enroll in the course

15. **SPECIAL RESTRICTIONS, CONDITIONS**

16. **PROPOSED COURSE FEES** $ [ ]

Has a memo been submitted through your dean to the Provost for fee approval? [ ] Yes/No

17. **PREVIOUS HISTORY**

Has the course been offered as special topics or trial course previously? [ ] Yes/No

If yes, give semester, year, course #, etc.: [ ]

18. **ESTIMATED IMPACT**

 WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.

This course is primarily taught in a hybrid online/in class format so that the small HSEM classroom will be utilized. Adjunct faculty will teach the course.

19. **LIBRARY COLLECTIONS**

Have you contacted the library collection development officer (kljensen@alaska.edu, 474-6695) with regard to the adequacy of library/media collections, equipment, and services available for the proposed course? If so, give date of contact and resolution. If not, explain why not.

[ ] No [ ] Yes XX

Emergency medical materials will generally be used. In the event that other library materials will be needed, they will be contacted.

20. **IMPACTS ON PROGRAMS/DEPTS**

What programs/departments will be affected by this proposed action? Include information on the Programs/Departments contacted (e.g., email, memo)

There will be no impact on other departments. HSEM students are specifically drawn to this course.

21. **POSITIVE AND NEGATIVE IMPACTS**

Please specify positive and negative impacts on other courses, programs and departments resulting from the proposed action.

There are no negative impacts. This course offers more options for HSEM BEM students to specialize in their chose field.
JUSTIFICATION FOR ACTION REQUESTED
The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.

This is a new course designed to provide specific materials to those BEM students who are already in the emergency medical career field and wishing to advance, or to those new students who might be looking for their first career jobs. It provides more choices for BEM students and may expose some to a field they might never have thought about.

ATTACH COMPLETE SYLLABUS (as part of this application). This list is online at:
http://www.uaf.edu/uafgov/faculty-senate/curriculum/course-degree-procedures/-uaf-syllabus-requirements/
The Faculty Senate curriculum committees will review the syllabus to ensure that each of
the items listed below are included. If items are missing or unclear, the proposed course
(or changes to it) may be denied.

SYLLABUS CHECKLIST for all UAF COURSES
During the first week of class, instructors will distribute a course syllabus. Although
modifications may be made throughout the semester, this document will contain the
following information (as applicable to the discipline):
1. Course information:
   • Title, number, credits, prerequisites, location, meeting time
     (make sure that contact hours are in line with credits).
2. Instructor (and if applicable, Teaching Assistant) information:
   • Name, office location, office hours, telephone, email address.
3. Course readings/materials:
   • Course textbook title, author, edition/publisher.
   • Supplementary readings (indicate whether required or recommended) and
     any supplies required.
4. Course description:
   • Content of the course and how it fits into the broader curriculum;
   • Expected proficiencies required to undertake the course, if applicable.
   • Inclusion of catalog description is strongly recommended, and
   • Description in syllabus must be consistent with catalog course description.
5. Course Goals (general), and (see #6)
6. Student Learning Outcomes (more specific)
7. Instructional methods:
   • Describe the teaching techniques (eg: lecture, case study, small group discussion,
     private instruction, studio instruction, values clarification, games, journal writing,
     use of Blackboard, audio/video conferencing, etc.).
8. Course calendar:
   • A schedule of class topics and assignments must be included. Be specific so that it
     is clear that the instructor has thought this through and will not be making it up on the
     fly (e.g. it is not adequate to say "lab". Instead, give each lab a title that describes
     its content). You may call the outline Tentative or Work in Progress to allow for
     modifications during the semester.
9. Course policies:
   • Specify course rules, including your policies on attendance, tardiness, class
     participation, make-up exams, and plagiarism/academic integrity.
10. Evaluation:
    • Specify how students will be evaluated, what factors will be included, their
        relative value, and how they will be tabulated into grades (on a curve, absolute
        scores, etc.)
    • Publicize UAF regulations with regard to the grades of "C" and below as
        applicable to this course. (Not required in the syllabus, but is a convenient way to
        publicize this.) Link to PDF summary of grading policy for "C":
11. Support Services:
    • Describe the student support services such as tutoring (local and/or regional)
        appropriate for the course.
12. Disabilities Services: Note that the phone# and location have been updated.
    http://www.uaf.edu/disability/ The Office of Disability Services implements the Americans
    with Disabilities Act (ADA), and ensures that UAF students have equal access to the
    campus and course materials.
    • State that you will work with the Office of Disabilities Services (208 WHITAKER
      BLDG, 474-5655) to provide reasonable accommodation to students with disabilities.

5/21/2013
HSEM F403: Public Health in Emergencies (Spring 2016)
Credits: 3
Prerequisites: HSEM 301 or permission of Instructor
Location: TBD based on classroom availability
Instructor: John Broderick
Adjunct Instructor, Homeland Security and Emergency Management Program
School of Management, University of Alaska Fairbanks
Telephone: TBD
E-mail: jbroderick@alaska.edu
Office:
Office Hours: By appointment

Course Description

This course focuses on the role public health plays in the disaster lifecycle and emergency management. Public Health is relatively new concept in emergency management. Topics including public health’s role in fostering community resilience, medical intelligence and disease monitoring, behavioral health recovery, ethical considerations, and planning for vulnerable and special needs populations are examined.

Course Objectives:

Develop an understanding of:

- Public health theories to explain assessments, interventions, and evaluations
- Application of these concepts to the promotion of community resilience in disaster management
- How different sectors of society are affected by disasters and to recommend resources to address their needs

Course Text Book:

Required

Suggested (This book is not required for purchase, however, is a useful reference for lectures, papers, and discussions)
- Introduction to Public Health (Fourth Edition), Copyright 2013, Schneider, Mary-Jane, Jones & Bartlett Learning

Additional Reading:

Additional reading assignments have been selected from articles and web sites. Where possible, the course author has obtained permission to include session handouts of the assigned reading.

Instructional Method:

The course format includes lecture, directed reading assignments, class discussion board topics and internet-based assignments via Blackboard. Case studies and textbook chapters will
Additionally be utilized as part of the instructional method with guest speakers facilitating discussions through lecture and questions developed as a class. Recommended preparation: 9 hours weekly beyond class instruction.

**Paper Format:**

- Double-spaced
- 1" margins
- 12-point Times New Roman, Arial, or Helvetica Font
- Page limit does not include references or title page.
- Each page numbered at the bottom with the student's name in each page's header.
- Wikipedia is NOT an acceptable reference for information. Okay for images.
- Follow APA style guide for everything else.
- Poor writing will be penalized, so you should proofread each other's papers.
- Papers must be emailed as PDFs; hard copies or Word docs will not be accepted.
- All files names must begin with the student's last name to help the instructors organize files, and include additional identifying information, e.g., Broderick_Midterm_Haiti_Earthquake.

*** For additional information on APA formatting:  
https://owl.english.purdue.edu/owl/resource/560/01/  

**Evaluations:**  
All assignments are due BEFORE the start of class.

1. **Weekly Discussion Board Management = 15%**
   A. A discussion question will be posted each week. Topics can include but are not limited to current events, questions posted in the readings, or an outside topic relating to public health in emergencies.
   B. Posts are worth 10 points each.
   C. Students will be required to comment on at least 2 other student's weekly discussion board posts.
   D. **Discussion Board Etiquette:** When both posting and responding to the discussion board requirements, remember that these are graded activities. Content is to address the requirement at hand and in terms of a response, be respectful and constructive in nature.

2. **IS-808: Emergency Support Function (ESF) #8 – Public Health and Medical Services Certificate = 10%**
   A. Completion of IS-808 FEMA Certificate (FEMA will only award the certificate with a passing score of 70%)

3. **Midterm Paper = 25%**
   A. Each student will be required to submit a midterm paper that analyzes health planning for a vulnerable population. Student will be required to research and analyze the positives and negatives of this current planning. This paper will be 4-6 pages, double spaced and follow the above format. Students will be given a grading rubric for this assign in Week 2.
4. **Final Paper = 50%**
   
   A. Each student will be required to submit a final paper that analyzes a case study on a public health response to a disaster. Student will be required to research and analyze the positives and negatives of this disaster response. This paper will be 6-8 pages, double spaced and follow the above format. Students will be given a grading rubric for this assign in Week 9.

**Grading:**

Weekly Assignments / Discussion Board Management = 15% (150 points)
Mid-Term Paper = 25% (250 points)
Final Paper = 50% (500 points)
IS 808 Certificate = 10% (100 points)
Total = 1000 points

A= 90-100%  B= 80-89%  C= 70-79%  D= 60-69%  F= 59% or less

**Course Policies:**

Students are expected to attend and participate in both the class and discussions generated. Students will be penalized for the late submission of class assignments and for non—attendance (outside of emergency or mutually agreed upon circumstances). Plagiarism on assignments and cheating on exams will not be tolerated. Work is to be original efforts to address the specific assignment at hand (in other words, don’t submit work from another course). Students caught plagiarizing or cheating will be disciplined according to the appropriate University of Alaska guidelines.

Assignments are due _B E F O R E_ the start of class. Assignments turned in late will be docked 10% of the grade each day up to 100%. All papers must be in APA format. All assignments must be submitted as a .pdf file. Please label you assignments with your last name, followed by assignment e.g. “Broderick_IS808”

**Support Services:**

Students are encouraged to schedule an initial appointment and utilize the UAF Writing Center in 801 Grueing, phone: 474-5314, [http://www.uaf.edu/english/writing-center/](http://www.uaf.edu/english/writing-center/) for the first written topic review. Further assistance through the writing center is encouraged as needed to assist in the development and refinement of written products. Please contact me as required should you need to contact other subject matter support services relevant to the development of your leadership or classroom projects/topics.

Distance students have access to the tutoring as well.

**Students with Disabilities:**

Students with learning or other disabilities who may need classroom accommodations are encouraged to make an appointment with the Office of Disability Services (Phone # 474-7043). Please inform me of your needs and if I need to meet with the Office of Disability Services to provide the appropriate accommodations and support to assist you in meeting the goals of the course.
Course Schedule:

Week 1 (14 January – 15 January)
Review of syllabus. Student backgrounds and 5-year plan. Introduction to Public Health in Emergencies.
Readings
• N/A
Assignments
• N/A

Week 2 (18 January – 22 January)
Readings
• Review of writing standards (APA Format)
• Role and Responsibility of Public Health — (Chapter 2. PHMD)
Assignments
• Discussion Board – Introductions
• Discussion Board Topic #1 – What is public health? (10 points)
• Student biography with picture (50 points)
• Assign Midterm Paper

Week 3 (25 January – 29 January)
Readings
• Structure and Organization of Health Management in Disaster Response (Chapter 3. PHMD)
Assignments
• Discussion Board Topic #2 – Where does public health fit into the Homeland Security organization chart? (10 points)
• IS-808 Due (50 points)

Week 4 (1 February – 5 February)
Readings
• Types of Disasters and Their Consequences (Chapter 1. PHMD)
Assignments
• Discussion Board Topic #3 – What are disasters an emergency manager would need to be familiar with in Alaska? (10 points)

Week 5 (8 February – 19 February)
Readings
• Essentials of Disaster Planning (Chapter 7. PHMD)
Assignments
• Discussion Board Topic #4 – What do emergency managers need to consider when planning for public health disasters? (10 points)

Week 6 (15 February – 19 February)
Readings
• Behavioral Health Strategies (Chapter 9. PHMD)
Assignments
• Discussion Board Topic #5 – What are ways to mitigate PTSD for first responders? (10 points)
Week 7 (22 February – 26 February)
Readings
- Vulnerable Populations (Chapter 10. PHMD)
Assignments
- Discussion Board Topic #6 – Who is responsible for vulnerable populations in a disaster? (10 points)

Week 8 (29 February – 4 March)
Readings
- Environmental and Occupational Health Issues (Chapter 8. PHMD)
Assignments
- Discussion Board Topic #7 – How could accidents to first responders be prevented in the field? (10 points)
- Midterm due (250 points)

Week 9 (7 March – 11 March)
Readings
- Disaster Communications (Chapter 6. PHMD)
Assignments
- Discussion Board Topic #8 – What are some out of the box methods in conveying a message to citizens? (10 points)
- Assign Final Paper

Spring Break (12 March-20 March)

Week 10 (21 March – 25 March)
Readings
- Hazard Assessment, Vulnerability Analysis, Risk Assessment, and Rapid Health Assessment (Chapter 5. PHMD)
Assignments
- Discussion Board Topic #9 – How can Hazardous Vulnerability Assessments (HVAs) better prepare organizations to identify potential hazards? (10 points)

Week 11 (28 March – 1 April)
Readings
- Evaluation Methods for Assessing Public Health and Medical Response to Disaster (Chapter 13. PHMD)
Assignments
- Discussion Board Topic #10 – Why are After Action Reports (AARs) so important? (10 points)

Week 12 (4 April – 8 April)
Readings
- Disaster-Related Surveillance and Emergency Information Systems (Chapter 4. PHMD)
Assignments
- Discussion Board Topic #11 – What are some pros and cons of each of the surveillance tools mentioned in the reading? (10 points)
**Week 13 (11 April – 15 April)**
Readings
- Public Health Response to Emerging Infections and Biological Incidents (Chapter 11. PHMD)

Assignments
- Discussion Board Topic #12 – How did US healthcare respond to Ebola? (10 points)

**Week 14 (18 April – 22 April)**
Readings
- Public Health Considerations in Recovery and Reconstruction (Chapter 12. PHMD)

Assignments
- Discussion Board Topic #13 – Has the recovery for Hurricane Katrina been a success or failure? (10 points)

**Week 15 (25 April – 1 May)**
Readings
- Ethical Considerations in Public Health Emergencies (Chapter 14. PHMD)

Assignments
- Discussion Board Topic #14 – Why is Ethics so important in emergency management? (10 points)
- Discussion Board Topic #15 – How has your opinions and views of public health’s involvement in emergency management different from when you started the course? (10 points)
- Final Paper Due (500 points)

**Week 16 (2 May – 6 May)**
Readings
- N/A

Assignments
- N/A
403 Midterm Paper Rubric

Written Paper

Students will research and analyze health planning for a vulnerable population. These populations can include, but is not limited to: children, the elderly, and the poor. Students will need to address the positives and negatives of the current planning. From there, students should make recommendations that would improve the planning process for these populations.

Additionally, your paper needs to be double spaced, and include a cover page (this does not count as one of the 4-6 pages). It will be worth **250 points** and it will be evaluated using the grading criteria listed below. All papers must be written APA format and all sources need to be cited appropriately. This paper requires at least 2 acceptable sources.

Rubric

\[ \text{Organization} /40 \]

\[ \text{Style} /35 \]

\[ \text{Content} /75 \]

\[ \text{Grammar/spelling} /75 \]

\[ \text{Sources} /25 \]

Papers turned in after the due date will lose 10% per day up to 100%.
403 Final Paper Rubric

Written Paper

Students will research and analyze a case study on a public health response to a disaster. There are many studies to choose from and students should ensure there is adequate research available for this paper. Students will need to outline the positives and negatives to this response and make recommendations for responses in the future.

Additionally, your paper needs to be double spaced, and include a cover page (this does not count as one of the 6-8 pages). It will be worth 500 points and it will be evaluated using the grading criteria listed below. All papers must be written APA format and all sources need to be cited appropriately. This paper requires at least 5 acceptable sources.
