bladams@alaska.edu
College/School: School of Education
Phone: 474-5362
474-7509
Faculty Contact: Barbara Adams

1. ACTION DESIRED
(CHECK ONE):
Trial Course
New Course
XX

2. COURSE IDENTIFICATION:
Dept
ED
Course #
No. of Credits
F651
F651
2

Justify upper/lower division status & number of credits:
This course is designed for students admitted to the PhD in Interdisciplinary Studies. Graduate level readings, writing assignments, and presentations are a part of the course content.

3. PROPOSED COURSE TITLE:
Analyzing Social Science Research

4. To be CROSS LISTED?
YES/NO
If yes, Dept:

NOTE: Cross-listing requires approval of both departments and deans involved. Add lines at end of form for additional required signatures.

5. To be STACKED?*
YES/NO
If yes, Dept:

How will the two course levels differ from each other? How will each be taught at the appropriate level?

* Use only one Format 1 form for the stacked course (not one for each level of the course) and attach syllabi. Stacked course applications are reviewed by the (Undergraduate) Curricular Review Committee and by the Graduate Academic and Advising Committee. Creating two different syllabi (undergraduate and graduate versions) will help emphasize the different qualities of what are supposed to be two different courses. The committees will determine: 1) whether the two versions are sufficiently different (i.e. is there undergraduate and graduate level content being offered); 2) are undergraduates being overtaxed? 3) are graduate students being undertaxed? In this context, the committees are looking out for the interests of the students taking the course. Typically, if either committee has qualms, they both do. More info online – see URL at top of this page.

6. FREQUENCY OF OFFERING:
As Demand Warrants
Fall, Spring, Summer (Every, or Even-numbered Years, or Odd-numbered Years) — or As Demand Warrants

7. SEMESTER & YEAR OF FIRST OFFERING
(Effective AY2015-16 if approved by 3/31/2015; otherwise AY2016-17)
Fall 2017 or when demand is first warranted

8. COURSE FORMAT:
NOTE: Course hours may not be compressed into fewer than three days per credit. Any course compressed into fewer than six weeks must be approved by the college or school's curriculum council. Furthermore, any core course compressed to less than six weeks must be approved by the Core Review Committee.

COURSE FORMAT:
(check all that apply)

OTHER FORMAT (specify)
Mode of delivery (specify lecture, field trips, labs, etc)
9. CONTACT HOURS PER WEEK:

<table>
<thead>
<tr>
<th>LECTURE</th>
<th>LAB</th>
<th>PRACTICUM</th>
</tr>
</thead>
<tbody>
<tr>
<td>2 hours/weeks</td>
<td></td>
<td></td>
</tr>
<tr>
<td>0 hours/week</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Note: # of credits are based on contact hours. 900 minutes of lecture=1 credit. 300 minutes of lab in a science course=1 credit. 1800 minutes in non-science lab=1 credit. 2400-4800 minutes of practicum=1 credit. 2400-8000 minutes of internship=1 credit. This must match with the syllabus. See http://www.nuf.edu/ud/gov/faculty-senate/curriculum/course-degree-procedures/-/guidelines-for-computing-- for more information on number of credits.

OTHER HOURS (specify type)

10. COMPLETE CATALOG DESCRIPTION including dept., number, title, credits, credit distribution, cross-listings and/or stacking (50 words or less if possible):

Example of a complete description:

FISH F487 W, O Fisheries Management
8 Credits Offered Spring
Theory and practice of fisheries management, with an emphasis on strategies utilized for the management of freshwater and marine fisheries. Prerequisites: COMM F131X or COMM F141X, ENGL F111X, ENGL F211X or ENGL F213X; ENGL F414; FISH F425; or permission of instructor. Cross-listed with NRM F487. (3+0)

ED 651 Analyzing Social Science Research
2 Credits
Offered As Demand Warrants
Data analysis techniques for social science research. Investigations into qualitative coding and analysis and/or review of statistical analyses both univariate and multivariate within the context of social science research. Includes use of SPSS and Atlas.ti. This course as the fifth of six of the series moves to actual data analysis techniques for social science research. Topics included are specialized to support the research design, methodology and data collection efforts of the peer group.
Prerequisites: ED F648
Lecture + Lab + Other: 2 + 0 + 0

11. COURSE CLASSIFICATIONS: Undergraduate courses only. Consult with CLA Curriculum Council to apply S or H classification appropriately; otherwise leave fields blank.

H = Humanities
S = Social Sciences

Will this course be used to fulfill a requirement for the baccalaureate core? If YES, attach form.

YES: NO: X

IF YES, check which core requirements it could be used to fulfill:
O = Oral Intensive, Format 6
W = Writing Intensive, Format 7
X = Baccalaureate Core

11.A Is course content related to northern, arctic or circumpolar studies? If yes, a "snowflake" symbol will be added in the printed Catalog, and flagged in Banner.

YES: NO: X

12. COURSE REPEATABILITY:

Is this course repeatable for credit?

YES: NO: X

Justification: Indicate why the course can be repeated (for example, the course follows a different theme each time).

How many times may the course be repeated for credit?

TIMES

If the course can be repeated for credit, what is the maximum number of credit hours that may be earned for this course?

CREDITS

If the course can be repeated with variable credit, what is the maximum number of credit hours that may be earned for this course?

CREDITS

13. GRADING SYSTEM: Specify only one. Note: Changing the grading system for a course later on constitutes a Major Course Change -- Format 2 form.

LETTER: X
PASS/FAIL: 
RESTRICTIONS ON ENROLLMENT (if any)

14. PREREQUISITES
ED 648 Conducting Social Science Research in Depth

These will be required before the student is allowed to enroll in the course.

15. SPECIAL RESTRICTIONS, CONDITIONS
Permission of instructor

16. PROPOSED COURSE FEES
None
Has a memo been submitted through your dean to the Provost for fee approval? Yes/No

17. PREVIOUS HISTORY
Has the course been offered as special topics or trial course previously? Yes/No
If yes, give semester, year, course #, etc.: ED 693 in Fall 2015

18. ESTIMATED IMPACT
WHAT IMPACT, IF ANY, WILL THIS HAVE ON BUDGET, FACILITIES/SPACE, FACULTY, ETC.

This course will be taught through Blackboard Collaborate. There will be no impact on space or facilities. The class will be added to an existing faculty member's workload. Tuition from course participants will cover the instructor salary and benefits.

19. LIBRARY COLLECTIONS
Have you contacted the library collection development officer (kljensen@alaska.edu, 474-6695) with regard to the adequacy of library/media collections, equipment, and services available for the proposed course? If so, give date of contact and resolution. If not, explain why not.

No X Yes [ ] Adequate resources available.

20. IMPACTS ON PROGRAMS/DEPTS
What programs/departments will be affected by this proposed action?
Include information on the Programs/Departments contacted (e.g., email, memo)

The School of Education Graduate Program will be impacted:
- Possible increase in enrollment in graduate level education classes due to interest by PhD students in education coursework.
- Possible increase in the number of Interdisciplinary PhD applicants with an education focus creating the necessity for School of Education faculty to serve as committee chairs and committee members on PhD committees.

Other graduate program may be impacted:
- As the students in this class will be Interdisciplinary PhD students taking courses from more than one academic department, there may be an increase in enrollment in graduate classes of other departments.

21. POSITIVE AND NEGATIVE IMPACTS
Please specify positive and negative impacts on other courses, programs and departments resulting from the proposed action.

Positive: Provides INDS students a sense of community and the opportunity to share and receive feedback on their research from other students. Supports INDS PhD students in learning research methods. Improves the quality of dissertations.

Negative: May require more support from faculty than they are able to provide as it leads to an increase in enrollment of INDS PhD students, often distance-based students.

Impact on Other Courses: Most of the courses that may offer something similar at UAF are through PSY, BIOL, ANTH, COMM, LING, NORS and CHEM. The PSY courses are only open to Psychology students. The BIOL, CHEM do not address the same concepts due to specific research methods. There may be negative impact on those research courses listed as ANTH, COMM, LING, NORS; however, most INDS students may not be eligible for these based on their background or they may not apply if students have chosen a methodology that does not align with the methods taught in the course.
JUSTIFICATION FOR ACTION REQUESTED
The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.

Most students who have taken this course in trial format have been mid-career professionals who are working full-time and wish to pursue an Interdisciplinary PhD. The series of courses provides a foundation for research that encompasses qualitative, quantitative, and mixed methods allowing for balance and support for the interdisciplinary approach. As part of the series, this course supports students in engaging in their research from a distance and supports doctorate committee chairs in ensuring that distance students are moving forward on their work. The course focuses on the process of doing research and not the specific content. In that way, students along with their chairs and committee make the decisions about the research content, design, methodology, methods, and timeline, as should be the case. The course provides students a place to engage in those decisions, share their progress and receive feedback from an instructor who is an interdisciplinary researcher and other professionals moving through a similar process with their own committee. Since the series of courses focuses on the research process it goes into more depth than ED 601 and ED 603 that currently exist. As distance students who traditionally work full-time in addition to their studies the peer group and established meeting time that runs for three years provides the accountability and foundation upon which is engaged in dissertation work while expanding their understanding of methods from a multitude of fields.

This course as the fifth of six of the series moves to actual data analysis techniques for social science research. Topics included are specialized to support the research design, methodology and data collection efforts of the peer group.

Faculty Senate Review Committee:  ____Curriculum Review  ____GAAC  ____Core Review  ____SADAC
ATTACH COMPLETE SYLLABUS (as part of this application). This list is online at:
http://www.uaf.edu/uafgov/faculty-senate/curriculum/course-degree-procedures/-uaf-syllabus-requirements/
The Faculty Senate curriculum committees will review the syllabus to ensure that each of
the items listed below are included. If items are missing or unclear, the proposed course
(or changes to it) may be denied.

SYLLABUS CHECKLIST FOR ALL UAF COURSES
During the first week of class, instructors will distribute a course syllabus. Although
modifications may be made throughout the semester, this document will contain the
following information (as applicable to the discipline):

1. Course information:
   - Title, number, credits, prerequisites, location, meeting time
     (make sure that contact hours are in line with credits).

2. Instructor (and if applicable, Teaching Assistant) information:
   - Name, office location, office hours, telephone, email address.

3. Course readings/materials:
   - Course textbook title, author, edition/publisher.
   - Supplementary readings (indicate whether required or recommended) and
     any supplies required.

4. Course description:
   - Content of the course and how it fits into the broader curriculum;
   - Expected proficiencies required to undertake the course, if applicable.
   - Inclusion of catalog description is strongly recommended, and
   - Description in syllabus must be consistent with catalog course description.

5. Course Goals (general), and (see #6)

6. Student Learning Outcomes (more specific)

7. Instructional methods:
   - Describe the teaching techniques (eg: lecture, case study, small group discussion,
     private instruction, studio instruction, values clarification, games, journal writing,
     use of Blackboard, audio/video conferencing, etc.).

8. Course calendar:
   - A schedule of class topics and assignments must be included. Be specific so that it
     is clear that the instructor has thought this through and will not be making it up on the
     fly (e.g. it is not adequate to say “lab”. Instead, give each lab a title that describes
     its content). You may call the outline Tentative or Work in Progress to allow for
     modifications during the semester.

9. Course policies:
   - Specify course rules, including your policies on attendance, tardiness, class
     participation, make-up exams, and plagiarism/academic integrity.

10. Evaluation:
    - Specify how students will be evaluated, what factors will be included, their
        relative value, and how they will be tabulated into grades (on a curve, absolute
        scores, etc.) Publicize UAF regulations with regard to the grades of "C" and below as
        applicable to this course. (Not required in the syllabus, but is a convenient way to
        publicize this.) Link to PDF summary of grading policy for "C":

11. Support Services:
    - Describe the student support services such as tutoring (local and/or regional)
      appropriate for the course.

12. Disabilities Services: Note that the phone# and location have been updated.
    http://www.uaf.edu/disability/faculty/ The Office of Disability Services implements the
    Americans with Disabilities Act (ADA), and ensures that UAF students have equal access
    to the campus and course materials.
    - State that you will work with the Office of Disabilities Services (208 WHITAKER
      BLDG, 474-5655) to provide reasonable accommodation to students with disabilities.

Note: Optional Title IX syllabus statement may be used. See http://uaf.edu/oee/aa-eo/
TITLE: Analyzing Social Science Research
NUMBER: ED F651 UX1, CRN: xxxx
CREDITS: 2 credits
PREREQUISITES: Completion of ED F6dd Conducting Social Science Research in Depth or upon approval of the instructor
LOCATION: Online via Blackboard and Collaborate
MEETING TIME: TBA

INSTRUCTOR: Dr. Barbara L. Adams
OFFICE: Gruening 714D, UAF Campus, Fairbanks, AK
OFFICE HOURS: by request
TELEPHONE: 907.474.7509 office; 907.460.1377 cell
EMAIL ADDRESS: barbara.adams@alaska.edu

COURSE DESCRIPTION
Data analysis techniques for social science research. Investigations into qualitative coding and analysis and/or review of statistical analyses both univariate and multivariate within the context of social science research. Includes use of SPSS and Atlas.ti. This course as the fifth of six of the series moves to actual data analysis techniques for social science research. Topics included are specialized to support the research design, methodology and data collection efforts of the peer group.

STUDENT LEARNING OUTCOMES
Course Goals: To provide INDS PhD peer group students options of data analysis for qualitative and/or quantitative methods and guidance on analysis applications with software packages for various research designs.

To achieve these goals students will
- determine the appropriate data analysis technique for their research design and data
- initiate and troubleshoot the data analysis for their dissertations
- conduct data analysis using Atlas.ti, Excel, SPSS or other appropriate software
- critique social science research results (quantitative and/or qualitative) in scientific research and the popular press

COURSE READINGS/MATERIALS
Required

Optional

TECHNICAL REQUIREMENTS FOR COURSE
This is an online course. Students must have internet access and will use a computer, tablet or phone to communicate, to access online multimedia (audio, video, Flash), and to create multimedia. There will be regular online interaction with the instructor and peers using Blackboard Collaborate. Synchronous sessions require students to have access to a microphone for their device in order to discuss via Collaborate. Students will be expected to have the most current versions of several applications that will be used in this course, including QuickTime, Flash (Mac|Windows), and Java.

INSTRUCTIONAL METHODS
This course will be conducted synchronously where participants will complete required readings prior to regularly scheduled class sessions held through Collaborate. This course will meet via Blackboard Collaborate for eight 3-hour sessions with an additional 160 minutes to be scheduled for group work sessions through Blackboard Collaborate, in person, or any other appropriate venue. It is encouraged that you communicate with other students additionally through the online forums in Blackboard. Face to face sessions may be scheduled if warranted or requested given the availability of meeting times and locations.

INSTRUCTOR RESPONSE TIME
I will provide feedback on your deliverables within approximately two weeks from submission. I will typically respond to emails within 24 hours.

COURSE POLICIES
No points are given for attendance towards determining students’ grades but given the nature of this course, which focuses on discussion and learning from peers, attendance is encouraged during each Collaborate session. Recognizing that life can sometimes get in the way of academics, each session will be recorded providing an opportunity for those who miss class to at least hear what was discussed. Further, recent peer-reviewed articles will be provided by me via our Blackboard room and located by students as part of this course.
EVALUATION POLICIES

The following evaluation of student performance will be employed:

A: 90.0-100%  B: 80.0-89.9%  C: 70.0-79.9%  D: 60.0 – 69.9%  F: below 60.0%

<table>
<thead>
<tr>
<th>Deliverables</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Project 1: Draft Data Analysis Plan</td>
<td>20</td>
</tr>
<tr>
<td>Project 2: Critique of Related Analyses</td>
<td>30</td>
</tr>
<tr>
<td>Final: Results of Preliminary Data Analysis</td>
<td>50</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>100</strong></td>
</tr>
</tbody>
</table>

Projects: Projects provide an opportunity to connect the knowledge learned in class to real world application and analysis. This will be an opportunity for students to practice before applying the knowledge to their own dissertation in order to hopefully eliminate having to restructure their work. Detailed descriptions of each project will be presented during course discussion on the topic and with reasonable time before the due date.

DISABILITIES SERVICES
The UAF Office of Disability Services operates in conjunction with UAF eLearning. Disability Services, a part of UAF’s Center for Health and Counseling, provides academic accommodations to enrolled students who are identified as being eligible for these services.

If you believe you are eligible, please visit their web site (http://www.uaf.edu/apache/disability/) or contact a student affairs staff person at your nearest local campus. You can also contact Disability Services on the Fairbanks Campus by phone, (907) 474-5655, or by e-mail (uaf-disabilityservices@alaska.edu).

EXPLANATION OF NB/I/W GRADES
This course adheres to the UAF eLearning Procedure regarding the granting of NB Grades The NB grade is for use only in situations in which the instructor has No Basis upon which to assign a grade. In general, the NB grade will not be granted.

Your instructor follows the University of Alaska Fairbanks Incomplete Grade Policy:
“"The letter “I” (Incomplete) is a temporary grade used to indicate that the student has satisfactorily completed (C or better) the majority of work in a course but for personal reasons beyond the student’s control, such as sickness, he has not been able to complete the course during the regular semester. Negligence or indifference are not acceptable reasons for an “I” grade.”

Successful, Timely Completion of this Course Starting and establishing your progress through this course early can help to encourage your successful completion of the course. Toward this end, this course adheres to the following Center for Distance Education Procedures:

1. The first contact assignment (Introduction) is due one week after the first day of instruction. Failure to submit this assignment within the first two weeks of the course could result in withdrawal from the course.
2. The first content assignment (Lesson 1) is due one week after the first day of instruction. Failure to submit this assignment within the first two weeks of the course could result in withdrawal from the course.
3. Failure to submit the first three content assignments (Assignments 1, 2 and 3) by the deadline for faculty-initiated withdrawals (the ninth Friday after the first day of classes) could result in instructor initiated withdrawal from the course (W).

ACADEMIC INTEGRITY
As described by UAF, scholastic dishonesty constitutes a violation of the university rules and regulations and is punishable according to the procedures outlined by UAF. Scholastic dishonesty includes, but is not limited to, cheating on an exam, plagiarism, and collusion. Cheating includes providing answers to or taking answers from another student. Plagiarism includes use of another author’s words or arguments without attribution. Collusion includes unauthorized collaboration with another person in preparing written work for fulfillment of any course requirement. Scholastic dishonesty is a serious offense, will not be tolerated in dissertation work, and is punishable by removal from the course and a grade of “F.” For more information go to Student Code of Conduct. (http://www.uaf.edu/catalog/catalog_08-09/academics/regs3.html#Student_Conduct)
SUPPORT SERVICES

UAF eLearning Student Services helps students with registration and course schedules, provides information about lessons and student records, assists with the examination process, and answers general questions. Our Academic Advisor can help students communicate with instructors, locate helpful resources, and maximize their distance learning experience. Contact the UAF eLearning Student Services staff at 907-479-3444 or toll free 1-800-277-8060 or contact staff directly — for directory listing see: http://elearning.uaf.edu/staff/. http://elearning.uaf.edu/staff/

UAF Help Desk
Click here (http://www.alaska.edu/oit/) to see about current network outages and news. Reach the Help Desk at:
· e-mail at helpdesk@alaska.edu
· fax at (907)-450-8312
phone in the Fairbanks area is 450-8300 and outside of Fairbanks is 1-800-478-8226

UAF Writing Center
The Writing Center is a student-staffed, student-oriented service of the English Department. Our tutors, English Department teaching assistants and a few outstanding undergraduate students, can assist you in all phases of the writing process, including the following:

· Brainstorming and generating topics
· Organizing ideas
· Developing research strategies
· Use of citation styles -- MLA, APA, and Chicago
· Editing for clarity and correctness

E-mail/Fax/Telephone Tutoring: The UAF Writing Center provides a telephone tutoring service. If you would like a telephone session call the Writing Center for an appointment and then e-mail or fax your paper to them the day of your appointment by 5:00 pm AK time for an evening session and 12:00 pm AK time for a Sunday afternoon session. They will then call you at the set time and collaborate with you on your writing needs. They offer telephone tutorials on Monday through Thursday evenings (7:15, 8:15, 9:15) and Sunday afternoon (1:15, 2:15, 3:15, 4:15, 5:15).
