

The 2010-2011 General Education Revitalization Committee (GERC) is constituted as a sub-committee of the Curricular Affairs Committee. The charge of the current GERC is to develop objectives and Student Learning Outcomes for UAF's General Education Curriculum. This committee is expected to present its proposal to Faculty Senate during the Spring 2011 semester. The committee's charge at this time does not include curriculum development or assessment.

Committee composition:

Anne Armstrong, abarmstrong@alaska.edu
