II      Interim Vice Chancellor for Administrative Services Remarks
- F. Williams

Y2K Problem - The University is seeking to put a budget
request in for assistance in meeting this problem. Contact
Diane Marshall or Richard Machida for more information. The
Y2K also includes equipment, i.e. digital equipment, elevators,
ventilation systems, etc.

Banner will be down from October 15 at 5:00 p.m. through
October 22 for the Y2K compliance.

Safety Services - In a proactive stance, Safety Services will
be working in conjunction with the Rural College whereas
Safety Services will visit the rural sites and increase safety
awareness.

III      Chancellor's Remarks - J. Wadlow

President Hamilton - Chancellor Wadlow has had the
opportunity to hear President Hamilton speak at various
settings, Chancellor's retreat, Rotary luncheon, and the Board
of Regents meeting. At all the settings, three priorities were
highlighted, first, increase the University budget. President
Hamilton is concentrating on strategies for the next three
years rather than dwell on the past, and includes one percent
real growth for the next three years. The University will ask
for a $16 million increase for next year. The approach is
positive and highlights the special items and educational
opportunities available at the University of Alaska. Second,
aggressive recruiting is a key issue. One idea is to admit
students early on in their academic career when they have
scored a certain level on various tests. Highlight the programs
that the University has and provide some information on the
possible job opportunities available for the specific interest
areas. This idea is still in the concept stage and is not ready
for implementation yet. Increase marketing and involve the
Alumni association. The third theme is give tuition
scholarships to the top 10 percent graduating high school
seniors in the state. This effort would take combined
financing from the state and legislature. The percentage is
higher for a student to stay in the state than if they attend
college outside the state.
Working Group on Enrollment - This group utilizes existing personnel and is comprised of 10 people who will be making the policy decisions to be effective in recruiting and enrollment. The focus is primarily undergraduate enrollment. The group is headed by Mike Mills and consists of Tim Bauer, Wanda Martin, Rick Goeb, John Lehman, Jackie Stormer, Ann Tremarello, JoAnn Ducharme, Pam Anthony, Kerrie Dershin, Eric Jozwiak, and Don Scheaffer. Representative Oleson recommended having an employee from the rural sites.

Communication - The latest staff survey identified this item as an area that needs improvements. In the past, the web and information in print had been used. Now the Chancellor is recommending just plain talking and asked all representatives to go back to their units, talk with their constituents, and highlight the major points of the meeting today.

Tuition Scholarships - Representative Downes asked if large corporations were going to be asked for matching funds for these scholarships. Chancellor Wadlow stated that yes corporations will be asked to match the funds.

IV Guest Speaker - Carla Kirts, Dean of Student Services

Enrollment - Dean Kirts introduced Mike Mills, the new Admissions director. Students are the customer and expect a certain level of service. A market consultant was commissioned a year ago and three key recommendations were made--improve the public image, focus on recruitment, and improve service. In Student Services, they are now wearing name tags so students know who they are talking to. This past fall, open registration has decreased the length of lines.

Interim Vice Chancellor for University Relations - Dean Kirts is wearing two hats this year. University Relations works closely with Student Services and are an essential component in the recruiting process. Dean Kirts distributed a brochure on the correct usage of the University logo. Brochures were designed in a family and will be easily recognized as UAF. The catalog has been redesigned for easier usage. A campaign highlighting new employees was done early in the semester. UAF cannot rely on the newspaper as the main focus for increasing the public image. UAF was featured on discover.com and abc.com regarding the dinosaur discovery article.

Student Services - Dean Kirts distributed a listing of the departments in her unit for more convenience to the staff representatives. The Commons is being remodeled and Dean Kirts highly recommended that employees go and see the improvements and have a meal there. The prices are very reasonable.

New Director of Admissions - Dean Kirts introduced the new admissions director, Mike Mills. Mike came from Alaska Pacific University in Anchorage and prior to APU he was at Ohio State. UAF is one of the top research universities in the nation. One of his chief goals is to change the public perception of UAF and increase enrollment from out-of-state students. Another area he is working on is retention and is participating on a committee on retention. It is one thing to get the students here, but we also have to retain them.

Directors and department heads from Student Services will be attending the monthly Staff Council meetings and report back at the Student Services meetings.

Request for Information - Admissions will be speaking with deans and directors regarding the most effective way to handle requests for information to ensure that clear, concise information is distributed to perspective students.

Conference Material - Representative Scholle stated that staff attend professional conferences out-of-state and asked if some of the brochures and fliers were available to take to these conferences? Mike Mills stated that Admissions has publications that staff can take to conferences, which promote UAF.

Representative Oleson asked if any consideration was given on doing a brochure for the rural campuses. The rural campuses
provide a mechanism for students to complete a year or two at their site and then transfer to the main campus. Dean Kirts stated that this topic has not been addressed adequately. Mike Mills stated that this is a good idea and will be looked into.

V Governance Reports

A. Faculty Senate - M. Schatz

Madeline Schatz is ill and was unable to attend the meeting.

B. ASUAF - J. Richardson

No report available.

C. Alumni Association - J. Poole

The Alumni Board of Directors will meet next weekend. The goals for this year will be set. The Board will also receive a tour of campus highlighting all the improvements that will be made this past summer.

Alumni Association retreat with President Hamilton will take place on October 30. The Alumni directors from all three campuses will discuss their goals with the President.

Alumni will continue to work with Admissions to increase enrollment. Increased involvement with alumni is a major focus this year, especially at the rural sites. UA employees who are alumni will be targeted this coming year. Alumni will be working with CRA to see how they can better serve rural students who come in to UAF to make their experience a successful one.

Outreach Working Group - Jake Poole is a member of this group. This last year, they identified the various groups that have contact with the community and will be working with them to promote a positive image of UAF.

Raffle - Alumni Association is conducting a fundraiser in which they are selling 300 tickets at $100 each. The 1st, 100th, 150th, 200th, and 250th tickets drawn will win $100. The 298th ticket drawn will win $500, and the 299th ticket drawn will win $1,000. The 300th ticket drawn will win $10,000. The drawing will take place on Friday, October 16. For tickets, contact the Alumni Association.

D. Staff Alliance - S. Christensen

The Board of Regents will review holiday closure at the November meeting in Anchorage. Marie Scholle is gathering information from administrators on how the closure is implemented on the various campuses, consistency in closure policies, and the demonstrated savings to the University, as well as the cost to staff. Please e-mail Marie Scholle at fnmms@uaf.edu with any information you can provide regarding the holiday closure.

Marie Scholle was elected chair of Staff Alliance for the coming year and will be meeting with President Hamilton at the end of the month. If you have any comments or questions you would like forwarded, contact Marie at fnmms@uaf.edu. The grievance procedure was an item identified by the staff survey as an ineffective tool and should be addressed this year. Staff Alliance forwarded the HayGroup preliminary base salary analysis to the Board of Regents for their information at the October meeting. Statewide Human Resources had not planned on providing this information to the Regents. Statewide Human Resources will be developing a leave share program that also incorporates Family Medical Leave. They have UAF Staff Council's recommendation, but this is an item that needs staff input.

VI The Council took a five minute break.

VII President's Report - B. Frey
Bev Frey is away from Fairbanks for training until October 17 and then will be on Family Medical Leave until the first part of November. In her absence, Shannon Christensen gave the report.

All staff are encouraged to run in the upcoming elections. Several units have vacancies in either representative or alternate positions. If you know anyone wishing to fill a vacant position, contact the Governance Office at fystaff@uaf.edu.

Health benefits will continue to be an issue in the coming year. All representatives were encouraged to forward recommendations from their constituents on how they can be restructured to provide the best possible coverage and still be cost effective.

The Employee Satisfaction Survey and the HayGroup salary analysis will be important topics that Staff Council, Staff Alliance, and the Board of Regents will be addressing in the next 2 or 3 months. Staff input in all these issues is very important.

VIII Committee Reports

A. Staff Affairs - L. Anderson

UAF LIFE - Michelle Combellick from the Health Issues Committee was scheduled to address the committee regarding the UAF LIFE program and staff use of the Student Recreation Center. However Michelle was ill and will be scheduled for the next meeting.

HayGroup Preliminary Salary Analysis - Patty Kastelic was contacted to address Staff Council’s questions regarding this report. However, she is unable to attend the October or November meetings but will be the guest speaker for December.

1. Motion to approve amendments to Governance Coordinating Committee procedures

Discussion centered around an amendment to reinstate the Rural Affairs Committee. Representative Oleson stated that in the past this committee has been active, but then the chair ran into some medical problems and the committee was inactive. However, this committee can be a very viable entity in coordinating legislative lobbying efforts from the rural sites. A motion was made and seconded to keep Rural Affairs in the Procedures. The amendment passed with unanimous approval.

Discussion continued regarding the procedures and another amendment was made to state the length of terms for committee members and officers. Dates will be June 1 through May 30. The amendment passed with unanimous approval.

A friendly amendment was made to change Public Safety to UAF Police Department in the Health Issues Committee charge. Upon voting on the three amendments, the Staff Council made a motion to approve the amended Governance Coordinating Committee Procedures. The motion passed with unanimous approval.

MOTION PASSED AS AMENDED (unanimous)

The Staff Council moves to approve the following changes to the Governance Coordinating Committee procedures. The recommended changes clarify the role of the Governance Coordinating Committee in the governance structure at the University of Alaska Fairbanks.

EFFECTIVE: Upon Chancellor’s Approval

1. October training sessions

October 22 - Conflict in the Workplace
3:00 p.m., Wood Center Conference Room C
Instructors: Jim Camm, Assistant Director, Personnel Services and Don Foley, Director Judicial Services/Associate Dean, Student Services

It happens everywhere, it is inevitable, issues in the workplace will result in conflict between staff! What's important is how that conflict is processed, how staff are treated when there are a variety of opinions, and finding a way to encourage diversity of opinion while embracing and supporting final decisions. We will discuss ways to keep dialogue constructive, diffuse potentially explosive situations, and promote a positive work environment. Please bring your thoughts, experiences and questions so that we can learn from each other!

D. Elections, Membership & Rules - K. Mosca

1. Fall elections for representatives in odd numbered

The UAF Staff Council will shortly be soliciting nominations for odd-numbered units. The Staff Council gives staff members a direct voice to the Chancellor, the President, and the Board of Regents on matters concerning their welfare and the welfare of the University.

Over the years, Staff Council has been responsible for a number of employee benefit improvements including:
- increased educational benefits for employees
- internal recruitment
- non-smoking in all non-residential buildings at UAF
- more University holidays, including an extra day at Thanksgiving, Christmas and New Year’s
- a personal holiday for non-exempt staff
- an increase in sick leave benefits
- an extension of benefits to permanent half-time employees on a pro-rated basis
- leave share program

Members have worked on refining health and leave benefits, implementing the benefit plan that replaced Social Security, corresponding with state legislators on bills concerning the retirement system and the University budget, consulting with the Office of Human Resource Development on career ladders, improved campus safety, and the UA Grievance Policy.

Please take the time to nominate a staff member in your area that you would like to represent you, or consider running yourself when you receive a nomination form. Elections will take place in November and the results will be announced at the December 4 Staff Council meeting. If you have any questions, contact Beverly Frey, President at beverly@gi.alaska.edu or Shannon Christensen at fnslc@uaf.edu.

The Governance Office received information that union employees had written in their new contract that they would participate in governance. Confirmation from Labor Relations needs to be received prior to their inclusion on Staff Council.
