Abel Bult-Ito stated that he was at this meeting to ask Staff Council to pass a similar resolution, such as that passed by a majority vote of the Faculty Senate at their last meeting. He stated that an important part of the resolution is to ask the Chancellor to form an elected community advisory board. Abel Bult-Ito stated that although he was not here speaking for faculty, but that the Faculty Senate members strongly supported the resolution. He stated that he interpreted this to mean that faculty would like to see a more open environment at KUAC where there is no apparent secrecy.

The UAF Staff Council passed the following Resolution at its Staff Council meeting #167, Friday, 16 December 2005

RESOLUTION (passed unanimously)

Purpose of Resolution: Recognizing Recent Improvements in Remote Training Opportunities

Whereas, The UAF Staff Council recognizes the technical difficulties in offering training and informational opportunities to staff outside of the local Fairbanks’ campus communities; and

Whereas, distance training is a costly effort; and

Whereas, even with technology advances such as e-mail lists, and websites, nothing replaces the one-on-one experience of sharing information by tele/video conferencing; and

Whereas, such consideration shrinks the miles between campuses and strengthens interpersonal relationships for friendlier, smoother, and more mission-productive services; now

Therefore be it Resolved, that the UAF Staff Council thanks and commends the various UA and UAF departments such as Human Resources, OIT, the Graduate School, the Office of Equal Opportunity, and the Center for Research Services, who are making efforts to reach out to rural and remote sites and provide personal training to staff. Events such as:

- HR’s Time Reporting, Timesheet Processing, and UAK jobs Training
- OIT Rural Sites Training
- The Graduate School’s Thesis Preparation Workshop
- OEO’s EEO/Sexual Harassment and  
- the CRS’ Introduction to CRS

are welcomed and appreciated by remote staff, and UAF Staff Council would like to see continuation and expansion of similar training opportunities.
