NORTH CAMPUS INFORMATION

The North Campus area of the University of Alaska Fairbanks is a unique and valuable resource for the university. North Campus consists of approximately 1,100 acres of largely forested land on the north-to-northwest side of campus. The area provides valuable research, education, and recreation opportunities for UAF faculty, staff and students, visiting educators and scientists, and community members.

- Parking

UAF NORTH CAMPUS *Winter Trails*

USER GUIDELINES

- No walking, snowshoeing, biking or dogs on designated ski trails.
- Let others know that you are approaching them from behind by calling out “track” or “on your left”.
- Move off the trail as quickly as possible after a fall to avoid collisions.
- Downhill skiers have the right of way.
- Follow the direction of the trail, ski to the right on two-way trails.
- Move off the trail to allow grooming equipment to pass.

UAF NORTH CAMPUS

Trail user guidelines

YEAR ROUND

Winter use of the North Campus area has designated ski, walking and snowshoe and dog friendly trails, during the summer trails are multi-use. Users are encouraged to follow trail etiquette and respect everyone's right to use the trails. Things to remember when out and about in the North Campus Area:

- Stay on designated trails
- Do not disturb research projects, plots, markers or equipment
- No camping or fires
- Respect the wildlife. Enjoy watching, but don't hassle them
- No hunting or trapping

PET POLICY

UAF Pet Policy (Excerpt of UAF Policy 05.09.001:

- The animal shall be restrained at all times. The animal handler or owner shall be responsible for the immediate disposal of animal waste.
