Re: UAF Property Sale Proceeds Policy

---

All items for sale by UAF must be processed through the UAF Property Office and sold via public auction. UAF currently utilizes GovDeals.com for most sales. Use of outcry auction, or other means, may be used if necessary.

Effective immediately, proceeds from sales will be allocated as follows: the first \$1,000.00 will be retained by the UAF Property Office and proceeds over \$1,000.00 the department will retain 75% of the sales price and the UAF Property Office will retain 25% of the sales price.

Please contact the Property Office for more information at [uaf-property@alaska.edu](mailto:uaf-property@alaska.edu) or call 907-474-6139.
