

Fall 2020 Shuttle Service

Schedule

Limited service beginning Monday, Aug. 17

- Nenana route, 7:30 a.m.–6 p.m. (large Thomas bus)
- Yukon route, 7:30 a.m.–6 p.m. (one bus)

Full service beginning Monday, Aug. 24

- Nenana route, 7:30 a.m.–6 p.m. (large Thomas bus)
- Yukon route, 7:30 a.m.–6 p.m. (two buses)
- CTC off-campus shuttle, 7 a.m.–9 p.m. (one van)
- Night route, 6–10:30 p.m. (one bus)

Safety procedures while on the bus:

- Masks or face coverings will be worn by riders and drivers.
- Only one person per seat.
- No stand-up riders.

Hand sanitizer and disposable masks will be available as riders enter and exit bus.

The following safety procedures will be followed:

- Drivers will be asked to keep touch surfaces within the driving area wiped down and clean.
- Pre- and post-trip inspections will be given additional time, to ensure disinfection is completed before and after shifts.
- Signs reminding passengers of up-to-date UAF COVID-19 mandates will be installed within the bus stop buildings and the shuttle buses.
- Shuttles will have Plexiglas partitions installed to the rear and right side of the drivers.
- Storage cabinet within the bus bay will be inventoried and stocked once a week to ensure proper disinfectant and cleaning supplies are available.
- Cleaning supplies and disinfectants will be inventoried and stocked on the shuttle buses daily during the post-trip inspection.
- Touch surfaces (handrails, seats, stability handles) will be sanitized between class changes and before the shuttle bus returns from service breaks for repairs, breaks and lunches.
- In addition to the normal cleaning, surfaces such as handrails, seats, stability handles, entrance doors and windows will be sanitized for the use of the next shift of the shuttle bus.
