

Student Name	Student #1	Student #2	Student #3	Student #4	Student #5
Name of advisor of GEOS 488 project	Jeff Freymueller	Elisabeth Nadin	Jessica Larsen	Carl Tape	Carl Tape
GEOS 488 Research Ability [General academic abilities]	Very good	Very good	Very good	Below average	Excellent
GEOS 488 Research Ability [Enthusiasm for geophysics research]	Excellent	Excellent	Very good	Very good	Very good
GEOS 488 Research Ability [Effort put into this research]	Excellent	Very good	Very good	Average for UAF	Very good
GEOS 488 Research Ability [Ability to apply geophysical concepts to the research problem]	Very good	Very good	Very good	Average for UAF	Very good
GEOS 488 Research Ability [Understanding and contributing to experimental design]	Very good	Average for UAF	Average for UAF	Average for UAF	Average for UAF
GEOS 488 Research Ability [Understanding of basic geophysical concepts required for the project.]	Very good	Very good	Very good	Average for UAF	Very good
GEOS 488 Research Ability [Ability to work independently after initial training in a new method or concept]	Excellent	Average for UAF	Very good	Average for UAF	Very good
GEOS 488 Research Ability [Willingness to take initiative in solving problems or answering questions]	Excellent	Excellent	Average for UAF	Very good	Very good
GEOS 488 Research Ability [Ability and willingness to seek out background information such as reading papers or meeting with other faculty]	Very good	Very good	Average for UAF	Average for UAF	Average for UAF
GEOS 488 Research Ability [Recognizing when assumptions are made in solving a problem and how to justify their use.]	Average for UAF	Average for UAF	Average for UAF	Average for UAF	Very good
GEOS 488 Research Ability [Ability to interpret results and state conclusions]	Very good	Average for UAF	Very good	Average for UAF	Very good
GEOS 488 Research Ability [Ability to keep good notes and well organized data]	Average for UAF	Very good	Excellent	Very good	Excellent
GEOS 488 Research Ability [Ability to present the results in the agreed format (writing, poster, presentation)]	Average for UAF	Very good	Average for UAF	Average for UAF	Excellent
GEOS 488 Research Ability [Understanding of the motivation for the research and of how this research fits into the bigger picture.]	Excellent	Very good	Average for UAF	Very good	Excellent
