Appointment Campaigns

Setting Up and Managing Appointment Campaigns in Nanook Navigator

What is an Appointment Campaign?
Allows users to proactively engage students to schedule appointments and commonly used when an identified a population needs additional support, or advising.

Video on how to create and manage appointment campaigns

Registration Appointment Campaign Details

- **Campaign Name**: Semester you are registering for-Registration-Unit- Your Initials (EX: SP22 Registration GS JS)
- **Service**: Registration (service in campaign availability)
- **Begin Date**: first date appointments start- **End Date**: last date appointments can be made
- **Appointment Limit**: recommended 1 (# of appts a student can make)
- **Appointment length**: recommended 60 minutes
- **Slots per time**: 1 (# of students that can choose the same appointment)
- **Email**: Advising language, request student to indicate their contact information in comments, your contact information, and any attachments.

This is a highly encouraged intervention to reduce registration barriers, increase student enrollment, reduce degree plan barriers, prevent low course enrollment, keep students on track for graduation, reduce excessive and unnecessary credits, and get students enrolled in semester to semester courses based on what is best for their goals.

Registration Appointment Talking Points

- Upcoming Semester(s) Registration
- Degree Plans
- On track for goal graduation semester
- Career planning (EX: interested in health career but not likely to meet pre-health requirements)
- FASFA

Report on an Appointment (Appointment Campaign)

Creating & Managing Appointment Summaries Nanook Navigator (EAB Navigate)

What is an appointment summary?

Appointment Summaries provide staff and faculty with the ability to record interactions with students pertaining to a specific appointment or communication.

These instructions are for students who created appointments through an appointment campaign. To reduce errors in data and duplication of appointments please use one of the following methods for creating an appointment summary.

Creating Summaries Through Reporting Appointments

1. Go to your “Staff Home” role

2. Click on the appointment tab and scroll to “Recent Appointments”

3. Click the check box for the student

4. Click “Actions” and click “Add Appointment Summary”

Creating Summaries Through Appointments, continued

5. Required to be able to save: Care Unit, Location, at least one service provided, date of Visit and start time.

6. Not required but highly encouraged: summary details (quick boxes) and appointment summary text.

7. Click “Save this report” at the bottom right.

Information

- **Course**: You can associate the appointment with one specific course. You may search for any course.

- **Meeting Start/Meeting End**: For appointments scheduled in advance, the Meeting Start and End times will default to the scheduled start and end times for the appointment. For walk-in/drop-in appointments, the Meeting Start time will default to the time the summary report is created and End time will default to the time the summary report is saved. You can edit the fields as needed.

- **Attendees**: checkboxes will be checked or not to indicate attendance for each appointment attendee. Not checking the box indicates a no show.

- **Attachments**: attach a file to the summary report, such as a plan or tutoring schedule.

- **Suggested Follow-up**: These fields are used for informational purposes only. No appointment will be created as a result of filling them out.

See more details on appointment summaries in the Report on an Appointment handout.

Need assistance? See more resources at [https://uaf.edu/gs/nanooknavigator/](https://uaf.edu/gs/nanooknavigator/) or contact uaf-nanooknavigator@alaska.edu 2/24/2022
Creating Summaries Through Kiosk Check In

1. If your office is using the Kiosk feature at the office front desk, then students can be checked in at the time of their appointment. When a student has been checked in the advisor receives a message on their staff home page.

2. Then you will see a notification in your appointment queue.

3. Click on the notification icon and then you can click “Start appt” for the student you wish to create a summary report for.

Edit & Delete Appointment Summaries

1. Go to your “Staff Home” role
2. Click on appointments tab
3. Scroll to towards the bottom to “Recent Reports You Created” or “Recent Appointments”
4. Click the word “Details”
5. Click “Edit Report” (bottom right), edit and save the Report
6. Or Click delete
