NACADA’s 2020 Virtual Annual Conference (Oct. 5-8)

If you registered before October 5th for the conference the recordings are available until November 23. NACADA’s 2020 Virtual Annual Conference was a huge success thanks to the nearly 2,300 participants who joined us from all over the world on October 5-8, 2020 for four days of interactive learning, networking and engagement. We could not have accomplished this milestone without the hard work and dedication of our many presenters who helped make this event possible. A huge thank you as well to our Exhibitors and Sponsors for being a part of this inaugural virtual annual conference. This reimagined event exceeded our expectations as a direct result of the support from all of you!
