## Faculty not requiring a final exam should hold a regular class session during the final examination period.

If a course has a lecture and lab, use the time of the lecture to determine the examination period. A course that meets four or five times a week will use the same period as assigned to those meeting three times a week at that hour (MTWRF uses exam time for MWF). Courses that meet only two days of a three-day sequence (MW or WF rather than MWF) will use the same schedule as the three-day sequence. Check with your instructor for additional exam information.

Final jury examinations for applied music courses (MUS 161, 162, 261, 262, 361, 362, 461, 462, 661 and 662) will be scheduled during exam week on an arranged basis. Check with the music department for examination times.
