1. Welcome and introductions - Chancellor Daniel White introduced self to committee. Student representative Raymundo Lopez was introduced to the committee.
2. Visit with Chancellor White - Chancellor White discussed with the committee its role and priorities. There was much discussion on what level of that MPC should be involved in decision making and the scope of types of issues that come to the group outside of working on the campus master plan. Joshua will share the MPC priorities list with Chancellor White. The Chancellor stressed the importance of looking at innovative and out of the box ideas. The Chancellor will plan to meet quarterly with the committee moving forward.
3. Subcommittee and additional reports
 1. North Campus - No update.
 2. Campus Landscape - No update.
 3. Sustainability - Ian reported that he will no longer be serving on the RISE board and that they will be looking for another individual to fill his spot.
4. Facilities Services update -
 1. There were questions about where the Women's Pole should be re installed. Jonathan will reach out to the Women's Center.
