

***Recommendation on Thompson Drive  
entrance sign***

**UNIVERSITY OF ALASKA FAIRBANKS  
MASTER PLANNING COMMITTEE (MPC)  
MEMORANDUM**

March 4, 2005

TO: Steve Jones  
*Chancellor, UAF*

FROM: [Richard A. Caulfield](#)  
*Chair, UAF Master Planning Committee x2850*

RE: MPC recommendation 05-01:  
**Recommendation on Thompson Drive entrance sign**

At its regularly scheduled meeting on March 3, 2005, the UAF Master Planning Committee approved the following recommendation regarding the proposed UAF entrance sign on Thompson Drive. Your review and approval of this recommendation is requested.

**The specific recommendation is as follows:**

The UAF Master Planning Committee endorses the design of a campus entrance sign presented by the Thompson Drive Corridor Concept Committee in its recommendation dated March 3, 2005. [see attached]

MPC members voted 12-0 in support of this recommendation with no abstentions; twelve MPC members were present for the vote—a quorum being established.

In making this recommendation, the MPC was mindful of the work of a professional consultant who assisted in the design and the broad representation on the Thompson Drive committee. We also discussed a number of additional features that might also be included (e.g. digital sign, time/temperature, date of UAF establishment). However, in the end were attracted to the proposed sign's simplicity and elegance.

Please let me know if you have any further questions about this.
