Re: MPC Recommendation 2012-01 – ASF Antenna Placement

*The Master Planning Committee supports the concept of the Alaska Satellite Facility (ASF) antenna on the West Ridge East site, with the West Ridge West site as a contingency site. The North Campus Subcommittee and the Master Planning Committee will be involved during the design phase to provide input on location of the trails. ASF will initiate (in coordination with UAF Marketing & Communications) a public awareness campaign.*

Motion made by Gary Newman, seconded by Chuck Kuhns.

Motion passed unanimously.

Thank you.
