Re: MPC Recommendation 2012-02 – UAF Community Garden Concept

The Master Planning Committee supports the UAF Community Garden concept and the proposed location on the closed section of Fairbanks Street., leading up to the bridge that has been closed to vehicular traffic.

This recommendation is contingent on consultation of safety issues with UAF Environmental Health, Safety & Risk Management and on vehicle access and parking issues being resolved.

Motion made by Gary Newman, seconded by De-ka-ween Mehner.

Motion passed unanimously.

Thank you.
