Re: MPC Recommendation 2013-07 – North Campus Disc Golf

The UAF Master Planning Committee recommends approval of the placement of 18 disc golf “holes” along several of the North Campus trails (mainly Potato Field and Big Whizzy). The cages will be installed and removed each spring and fall by hand, and there will be posted rules (no alcohol, no stereo systems, Pack In-Pack Out). The course will be closed for special events (i.e. cross country running meets, local community races). UAF’s Department of Recreation, Adventure, and Wellness will maintain and manage the course.

The North Campus course will be reviewed at the end of summer 2014 to determine the impact to the trails and trail users.
