Re: MPC Recommendation 2013-12 – Smith Lake Trail

Approved _____ Date 10/4/13

The UAF Master Planning Committee recommends approval of the North Campus Subcommittee motion that authorizes the trail groomer to brush and clear the Smith Lake access trail from the Sheep Creek pull-out. The trail would be packed by snowmachine in the winter, but not groomed for skiing. The trail would be designated as an official winter trail. The Committee recommends that appropriate signage be put in place.
