Re: MPC Recommendation 2014-05 Greenhouse relocation

Approved 

Date 9/9/14

The UAF Master Planning Committee recommends approval of relocating the Facilities Services greenhouse to the identified site #2, which is located on the north side exterior of the UAF U-Park facility. This site was identified as the low cost option and the location that causes the least disruption to current University programs at U-Park.

Greenhouse location options at Old U-Park

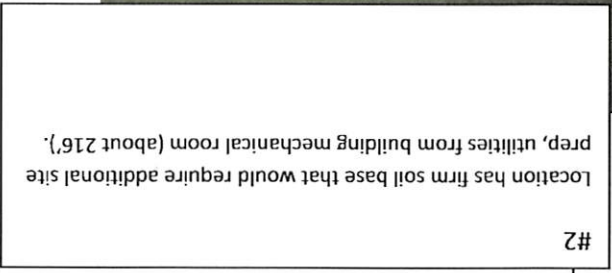

Listed in the least expensive option to most

--- = Possible utilities route

The dimensions of the greenhouse are 90' x 30'

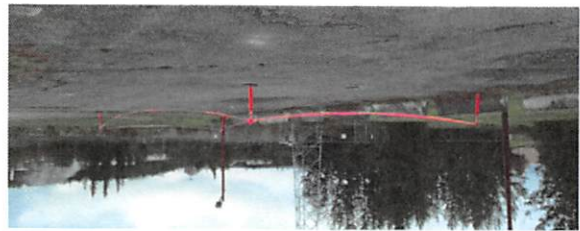

#1
Location has firm gravel base the will allow minimal site prep, straight shot for utilities from building mechanical room (about 162').

#2
Location has firm soil base that would require additional site prep, utilities from building mechanical room (about 216').

#3
Location has firm soil base that would require additional site prep, utilities from building mechanical room (about 306').

#4
Location has firm gravel base the will allow minimal site prep, utilities from building mechanical room (about 364').
