

**Master Planning Committee
of
University of Alaska Fairbanks**

Date: April 21, 2016

To: Mike Powers, Interim Chancellor

Approved _____ Date 5/21/16

From: Joshua Greenberg, Chair

Re: MPC Recommendation 2016-03, Power plant conex

The UAF Master Planning Committee reviewed the request of Facilities Services to locate a conex on the grounds adjoining the power plant to house chemicals for power plant boiler water. The conex will not be located where it is readily visible from Alumni Drive and will be removed by July, 2019. The committee supports the request.
