Re: MPC Recommendation 2018-05, UWA Alaska Women's Sculpture

The Master Planning Committee reviewed the request by the University Women's Association (UWA) to have the Alaska Women's sculpture and park bench that had been removed during Wood Center construction be relocated on the UAF campus. The MPC, in consultation with UWA President Ruth Lyle and member Pamela Wagaman, recommends it be located in the area in front of Wood Center, adjacent to the bus stop (see attached map). Furthermore, we recommend the location area be reviewed for further improvement to expand and enhance the shuttle waiting area's aesthetic appeal and functionality.
