--	----------------------------

### **UAF North Campus Subcommittee Meeting**

April 11, 2002

Notes

**Members Present:** Jane Parrish, Tim Stallard, Pat Holloway, Terry Chapin, Carl Adamczak, Dave Musgrave

**Absent:** Bill McDonnell, John Eichelberger, Chris Bennett

We reviewed the results of the email that circulated on campus and the lists of users and uses. The email resulted in 113 responses within one week and resulted in an impressive list of UAF classes, community and K-12 classes and events, recreational uses and past and present research projects. The list was divided among members present to fill in blanks and get additional responses from individuals, clubs and organizations in the community who use the area.

We will continue to refine this list and generate a map of use locations.

Jane Parrish brought in a trails map for use in the master plan.

Pat will pursue setting up a web page associated with the Master Planning Committee's existing page for minutes, surveys, maps, and other information

Pat Holloway agreed to develop a simple survey for requesting additional use information. This was emailed to members.

Carol Adamczak agreed to make a map with a grid overlay for use with the survey.

Next meeting: Thursday, April 25, 8:30 a.m. AFES/GBG classroom at the farm.

Agenda:

Continue discussion of users and uses

DOT /railroad plans for Sheep Creek intersection

Miller Hill/Yankovich bike path plan
