UAF North Campus Subcommittee Meeting

March 28, 2002

Notes

The North Campus Subcommittee met Thursday, March 28, 2002 to begin the process of crafting a master plan for the North Campus area.

Attendees:

Carol Adamczak, Tim Stallard, Bill McDonnell, Dave Musgrave, Jane Parrish, Pat Holloway

We reviewed the mission for the committee and had a general discussion of meeting times and approach for completing the mission.

Pat Holloway agreed to sift through historical documents and identify those most pertinent to the early discussions. She will copy as many as possible and send them to the members. Two documents of special consideration are the Smith Lake Conservation Management Plan and the Scarland Trails Plan.

Pat also agreed to send out an email to the UAF community asking for input on current land uses in order to construct maps.

Carol Adamczak will get information on the US Geological Survey site, lease conditions, etc.

Our next meeting will be at 8:30 a.m., April 11 in the botanical garden visitor's center.
