

<b>UAF North Campus Subcommittee Agenda</b>  July 13, 2011; 12 p.m. (noon) Facilities Services Conference Room, RM 122	No agenda available
---	---------------------

### **UAF North Campus Subcommittee Meeting**

July 13, 2011

Notes

#### **Members present:**

Peter Fix, Forrest Karr (for Scott Jerome), Dan Callahan, Jim Allen, Nicole Nordstrand (ex of), Darrin Edson (ex of),

#### **Guest attending:**

Jason Garron, UAF groomer  
Margaret Durst

#### **New Business**

##### Skarland reroute

Items discussed regarding the reroute included whether some of the corners were too tight for the groomer and if the reroute could be made longer to replace the distance of trail lost. Jason noted he drafted a reroute that maintained the distance of the trail and had more gradual corners.

Pete Fix made a motion to approve the proposed reroute with the condition that Jason work with John Estle to explore the possibility of a longer horseshoe shaped

loop, with the distance as long as possible. Seconded by Dan Callahan. Passed 4/0

### Big Whizzy extension

Discussion regarding the Big Whizzy extension included:

- Whether the public had adequate notice
  - Did the PSA, newspaper article, and postings to listserves reach enough people?
  - Did they have enough time to respond?
- Tree removal, trails being close to each other
- Wetlands at bottom of trail, do we have the permit for construction in that area
- Trail design and grooming issues

No action was taken on the Big Whizzy extension.
