

## NCS Minutes - Sept 9/9/20

### Introductions:

1. Kara Axx
2. Stan Justice
3. Allen Tonne
4. Dan Callahan
5. Laura Grage
6. Kellie Fritze
7. Stan Justice
8. Eliska Albrightson (late)

### Managers Report

- Report from Jason - Chipping the Skarland trail, brush work, mowing, tree work around the lights.
- Pulled a semi out, trail has been fixed. Oil spill fixed.
- "Into the Wild Bus" will be placed on campus, but not on trails.
- COVID Mitigation plan shared (attached). Currently the University is not approving spectator events, but is starting to allow practices. The Ski Hut will remain open, but use at your own risk. Limit capacity.

### Public Comment:

Stan Justice - Slideshow

Provided a summary of what has/hasn't worked well in the industry and on UAFs.

### Resolution Passed:

Ken Tape Motioned

Dan Callahan second

No one opposed

NCS supports the Trail's club efforts to address drainage issues up to and including ditching and culvert installation along the 6-mile trail to Bailaine Lake. The Trails Club is ready to financially support culvert purchasing. UAF XC and Ski team is ready to support with volunteer time. Ideally this work would be done before freeze up 2020.
