May’s theme is Spring!

ARTSci Teen Workshop: Field Sketching
*Monday, May 2, 4 - 6 pm*
Sharpen your observation skills. Explore sketching techniques inside and outside the museum. See the new *Thinking Made Visible* exhibit.
For ages 13-18.
Info & registration at bit.ly/uamnteenworkshop

Junior Curators: Spring
*Saturday, May 4, 2 - 4 pm*
Create a model butterfly collection and learn to identify butterflies! Explore signs of spring in the boreal forest, see and touch museum objects, and try a scavenger hunt. Drop in any time.
*For children 6 and older (with adult).*
Included with museum admission.

Early Explorers: Spring
*Friday, May 10, 10 am - 12 pm*
Drop in with your toddler or preschooler to create and discover with hands-on activities in the Creativity Lab. Explore galleries. Activities and materials provided.
*For children 5 and under (with adult).*
Included with museum admission.

ARTSci Teen Workshop: Bug Boot Camp
*Thursday, May 23, 3 - 5 pm*
Practice skills to identify, photograph, sketch, and preserve bugs. Use a microscope to take close-up photos. Record your sightings with the iNaturalist app.
*For ages 13-18.*
Info & registration at bit.ly/uamnteenworkshop
