Materials Needed:
Printed window and bird (or draw/trace your own), crayons. Optional: scissors, tape, glue stick, popsicle stick, colored paper (blue and other colors).

❤️ Short craft instructions:
Color the bird and the view in the window. You are now ready to sing!

❤️ Long craft instructions:
A grown-up will need to cut out the windowpanes in the printout to see through the window.

Step 1: Color a little bird. Glue it on the end of a popsicle stick.

Step 2: Make a garden (or outside view) collage on a piece of blue paper, roughly the same size as the window. Tear pieces from colored paper and glue them onto the blue background.

Step 3: Tape the top edge of the window over the collage.

Step 4: Hold your little bird between the garden and the window.

Little Bird, Little Bird

By Elizabeth Mitchell

Little bird, little bird
Fly through my window
Little bird, little bird
Fly through my window
Little bird, little bird
Fly through my window
Find molasses candy

Through my window
My sugar lump
Fly through my window
My sugar lump
Find molasses candy

(Chorus)

Who knows a bird?
Me! Chickadee!
What’s a chickadee say?
Chchchchchch

Chickadee, chickadee
Fly through my window
Chickadee, chickadee
Fly through my window
Chickadee, chickadee
Fly through my window
Find molasses candy

Sing Chorus

Who knows another bird?
Me! Jaybird!
What does a Jaybird say?
Jayjayjayjayjayjay

Jaybird, Jaybird
Fly through my window
Jaybird, Jaybird
Fly through my window
Jaybird, Jaybird
Fly through my window
Find molasses candy

Sing Chorus

Who knows one more bird?
I do! A whip-poor-will
What does a whip-poor-will say?
Whip-poor-will, whip-poor-will
Fly through my window
Whip-poor-will, whip-poor-will
Fly through my window
Whip-poor-will, whip-poor-will
Fly through my window
Find molasses candy

(End with Chorus)
