MATLAB Installation Instructions

Step 1. Create a [MathWorks account](#) using your @alaska.edu email address. *Be sure to select the "Student use" option.*

Create MathWorks Account

Email Address	UA_user_name@alaska.edu
	You will need to verify your email address
Country/Region	United States ▾
How will you use MathWorks software?	Student use ▾
Are you at least 13 years or older?	◉ Yes ○ No

Cancel   Create

Step 2. Verify your account creation. On the verification page, use the same personal information associated with your UA profile. *Be sure to complete the "Location of your School/University" with the correct UA Campus.*

Location of your School/University

Please provide the following information in English.

Country/Region of School/University	United States ▾
State/Province of School/University	Alaska ▾
School / University	University of Alaska Fairbanks ✓

Step 3. Associate your new account with the UA Student License
(69661-74226-70545-89035-79234).

Associate Your Account to a License

If you have MATLAB already, enter your activation key or license number here. What will this allow me to do?

Activation Key or License Number (Optional)

69661-74226-70545-89035-79234 ✓

Type 'license' at the MATLAB prompt to get your license number or get an activation key from your MATLAB administrator.

Step 4. Download and install MatLab directly from your MathWorks Account.
