

SCHOLARSHIP POLICY FOR STUDENTS

University of Alaska Fairbanks-Northwest Campus (NWC) awards higher education scholarships to new and continuing NWC students. The NWC Financial Aid Committee reviews scholarship applications. There are two sources of financial assistance available, which include: 1) UA Foundation—Northwest Campus Scholarship and 2) UA Foundation—Need-Based Tuition Waiver.

The number and amount of scholarships vary. At the beginning of each semester, applications are reviewed by the NWC Financial Aid Committee for the two UA Foundation Scholarships.

Students awarded scholarships by NWC shall receive an NWC Scholarship Award Letter. The student will need to accept or decline the scholarship, sign the form, and return it to the NWC Financial Aid Office. Once the award is accepted, the scholarship will be processed through the respective fund. Students must have at least a 2.0 GPA to be considered for award(s). Due to limited funds, not all applicants are awarded scholarships.

For Continuing Students:

- For college students to be granted scholarships after their initial year, they must have no pending incompletes within the last three years, or must have at least two semesters of successful course completion after a series of withdrawals, or incompletes.
- Students must maintain at least a 2.0 GPA for up to the last nine credits taken in the past three years.
- To be considered for future scholarships, recipients should have satisfactorily completed previously funded courses.

Applicants may call NWC Financial Aid Office at 443-8403 or 1-800-478-2202, ext. 8403 if they have any questions.
