REFRESHED ON THE WEB!

UAF Northwest Campus has a new look online! Visit us at www.uaf.edu/nwc to check out our new website, refreshed and ready to go for fall 2022 semester!

The look may have changed, but we're still offering the same great resources to keep you informed and connected to campus. Looking for something specific? Here's a breakdown on where to find things:

For Students: Regional advising and student support resources, including regional advisor contact details, registration information, proctoring services, and tutoring information.

Courses and Programs: Information regarding upcoming NWC courses, both local and via distance.

About Us: Recent program recaps, news around campus and information about what NWC is up to across the region!

Outreach: Recaps and information about upcoming sessions of our campus-based talk series, including *Shine a Light: Promoting Conversation on Diversity, Equity, & Inclusion* and *Strait Science*, which focuses on science and research in the Bering Strait region.

Next time you're online, don't forget to come visit us at www.uaf.edu/nwc.

Help us make it better. See something missing? If you can't find a familiar item from our old site or want to see something added as a new resource, let us know! email: nwc.info@alaska.edu with ideas.

UVLULLAUTAQ!

We're excited to share that UAF Northwest Campus was able to recognize graduates for the second time through a live commencement ceremony in May! This year, we were able to invite family members to be in the audience.

We're also very proud to share that

the NWC Advisory Council has approved two campus credentials focused on strengthening skills of job seekers and employees in the area of facility maintenance. The Interior Installation & Repair credential and Heating & Plumbing credential each provide students with recognition for completing four or five courses. It's a great way to get students started, and these courses count toward the UAF Occupational Endorsement in Facility Maintenance!

NWC also offered the inaugural course for our project aimed at building capacity of educators to embed cultural identities through Indigenous language instruction. We hosted participants from Nome and the regional village communities. The NWC team recognizes and expresses great admiration for the hard work of the many regional students and faculty!

ABOUT THIS GUIDE

This guide was created for UAF Northwest Campus students. Courses you will find in this guide include:

- **Northwest Campus courses (pages 10-14).** This section includes NWC's distance courses (requiring phone, Internet, etc.), courses limited to high school students of the region, and courses offered face-to-face in Nome or in area villages. Enroll in face-to-face courses only if you are able to attend at the specified location.
- **Distance-delivered courses from all UAF rural campuses and some Fairbanks-based programs (pages 15-18).** These courses are delivered by audio conference, Internet, email, Blackboard, Canvas, etc. Full course descriptions are not included. For course descriptions, consult the UAF course catalog online: <http://uaf.edu/courses/>

NWC STUDENT SERVICES : nwc.advising@alaska.edu

TESTING SERVICES: nwc.testing@alaska.edu

FALL SEMESTER: GETTING STARTED!

This guide will help you through the registration process at Northwest Campus. Please be aware of all details and deadlines for registration and financial aid. Your university enrollment is something to take seriously.

Registration, step by step!

1. First, speak with a NWC advisor! It's important that you connect with an advisor before you register so you're aware of course details, modes of delivery, and required course supplies.
Email: nwc.advising@alaska.edu
2. To enroll in courses, you may need to take a placement test or provide placement documentation. Students must email to request a placement test: nwc.testing@alaska.edu. Placement testing can be arranged in your community.
3. Based on your testing placement and potential funding, you will be advised on what courses to enroll into and work out a class schedule with your advisor.
4. With advisor approval, register for your courses. You may be able to register online through your student account at UAOnline: <https://uaonline.alaska.edu>, via fax (443-5602), through your advisor, or at Northwest Campus.
5. Verify your enrollment in your secure student account at UAOnline (link above).
6. Order your textbooks! See page 4 for details.
7. Line up financial aid and funding sources. (See page 6-7 to get started). Scholarship agencies

require a copy of your enrollment. Find this at your online student account as well.

8. Make a note of the first day of class and talk to your advisor about student support resources.
9. Confirm your enrollment and financial aid status in your online student account (UAOnline).
10. Attend the first day of class! Be on time!
11. Drop and withdraw dates are important to keep in mind throughout the semester. Find those dates on the inside front cover of this semester guide.

How do I browse available courses?

This guide is a great place to start! It includes Northwest Campus courses, courses offered by distance from other rural campuses and the Fairbanks campus. To find the most current information across the University of Alaska system, check UAOnline:

- > <https://uaonline.alaska.edu>
- > Select "Current Students"
- > Select "Class Schedule Search"
- > Select term in "Search by Term"
- > Select the "Campus" list or "UAF-all campuses"
- > Make selections under "Subject" (optional)
- > Click "Course Search" button at bottom of screen
- > Note the CRNs of the classes you want to take

If you don't find what you are looking for, contact a NWC advisor for help with your search!

Email: nwc.advising@alaska.edu.

KEEP STRIVING WITH GOALS IN SIGHT.

Early Childhood Education Faculty Veronica Plumb celebrates with Gussie Olanna and Louise Huffman at NWC Graduation.

"You're never too old to reach your goals, accomplishments, and dreams. You just can't give up."

- Gussie Olanna, Brevig Mission
Bachelor of Arts, Child Development & Family Studies

"Never give up! You know your own pace. It took me 10+ years to receive my degree, but I had children to take care of and I am very thankful I took some time off. Just don't wait too long. I took intensive classes. If you have the opportunity, take it!"

- Louise Huffman, White Mountain
Associate of Applied Science, Early Childhood Education

TIME TO ORDER TEXTBOOKS. HERE'S HOW:

Once you've registered, you need to order textbooks. Students can order books through the UAF Bookstore. You might choose to purchase books through another bookseller, but you first need to visit the UAF Bookstore web site to find out what books you need.

Note the department, course number, and section number for each of your courses.

Then:

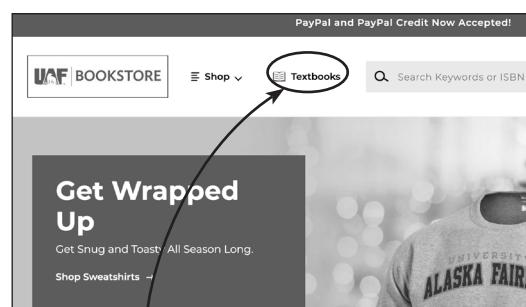

- > Go to <https://bkstr.com/alaskafairbanksstore>
- > Select "Textbooks" near upper left of the screen
- > Select your term (semester)
- Have the CRN? Click "Shop By Course ID"
 - > Enter CRN and click "Find Materials for Course"
- No CRN? Click "Shop By Course"
 - > Enter your department
 - > Enter your course
 - > Enter your section
 - > Click "Find Materials for Course"

View the list of books and materials. You might be able to buy used or new books. It's also possible to rent textbooks.

Textbook ordering tips and tricks:

1. Call for help. Need help ordering books or figuring out how to pay? You can call the UAF Bookstore: 1-888-280-8500 or contact a Northwest Campus advisor for help.

2. Find your required books by ISBN #. Even if you're purchasing or renting your textbook through an alternate book seller, use the UAF Bookstore website to locate the specific class and instructor. Not all instructors use the same books for the same course. Make sure the information you're finding is specific to your class and instructor.
3. Save all return label and packaging supplies. Often bookstores or textbook rental sites have deadlines for book return. Pay attention! and make sure to return in time in order to receive your refund.

At the <https://bkstr.com/alaskafairbanksstore> site, click on "Textbooks" to get started.

TECHNICAL DIFFICULTIES?

Navigating the university websites and online processes can be overwhelming. Have a computer question or problem? Can't see your classes in Canvas or Blackboard? Forgot your UA email password?

Contact Teresa Trigg, NWC Student Services Technology Specialist:

TERESA TRIGG STUDENT SERVICES TECHNOLOGY SPECIALIST

Based in Nome

Email: tltrigg@alaska.edu

Phone: (907) 443-8421 Toll-free:
1-800-478-2202, ext. 8421

You can set up an appointment to meet with Teresa on campus by emailing her.

After normal business hours, UAF has resources for you to troubleshoot your issues and report problems. Contact UAF's Office of Information Technology in Fairbanks (OIT):

- 1-800-478-8226
- helpdesk@alaska.edu
- www.alaska.edu/oit.index

On the OIT website, you can find general help without making a phone call. Search keywords in the service catalog search bar, or choose a quick link that most closely relates to your issue.

GET READY FOR DISTANCE LEARNING

While some courses are offered face-to-face, most courses available to you are taught from a distance. Regardless of the format, make sure you're ready to go for your first day of class!

First, get logged in! Many students need a reminder for their UA username and/or password, and UA has ELMO (Easy Login Maintenance Option) to help recover it.

Using ELMO:

1. Go to <https://elmo.alaska.edu>
2. Look up username/ID: Search for my Account
3. Enter your birth date, last name, and the last four digits of your social security number, then click "Recover username". (It may take a minute or two depending on your internet connection.)
4. Answer any security questions to access your account information.
5. Your UA ID Number and UA Username should be viewable. You can change your password in the box on the bottom right side of the screen.

Audio Conference (AC): Students participate in class by dialing a toll-free number listed by the course listings starting on page 15. **Equipment required:** Telephone or headset with microphone, computer with Internet access.

How to call in to your audio course:

1. 2-5 minutes before class, dial 1-866-832-7806
2. Enter your PIN (see pp. 15-19).

Blackboard (BB): Instruction is delivered online.

Equipment required: Computer with Internet access.

How to log in to Blackboard online:

1. Go to www.classes.alaska.edu
2. Enter your UA credentials
3. From here, access your courses, grades, and other useful information.

Blackboard Collaborate (COLL): Accessed through Blackboard, online. **Equipment required:** Computer with Internet access, 256 KBs or faster cable or DSL modem, headset with a microphone. Depending on your computer's software, downloads may be required.

Canvas (CVS): Instruction is delivered online.

Equipment required: Computer with Internet access.

How to log in to Canvas online:

1. Go to www.canvas.alaska.edu
2. Enter your UA credentials
3. From here, access your courses, grades, and other useful information.

GET YOUR NURSING DEGREE IN NOME

Register now for pre-nursing classes!

Nome-based UAA Nursing student Marie Balamou practices skills at Norton Sound Health Corporation.

The Nome-based associate degree nursing program of the University of Alaska Anchorage will admit its next cohort of students in January 2023!

SOUND FAR AWAY? It's not! You must complete more than 30 credits of pre-nursing courses before applying to the nursing program. If you haven't taken *any* required pre-nursing courses, consider taking one this semester so you can get started on completing the necessary course requirements.

START NOW! Contact a Northwest Campus advisor to register for fall 2022 courses! (See page 2).

FINANCIAL AID FACTS: SHOW ME THE MONEY!

A concern for most college students is how they will pay for classes. Searching for, identifying, and applying for funds is hard work—but it pays off!

The Bering Strait region is very supportive of higher education pursuits. Apply on time for funding so that you can be considered for all aid available. You should pursue *all* possible scholarships before seeking an educational loan or borrowing money. If you need financial aid applications, help or advising, contact your Northwest Campus advisor (see page 2).

Is federal student aid available?

The first step in your search for financial aid is completing the Free Application for Federal Student Aid, or FAFSA. Note that timing is key with FAFSA. The earlier you apply (after October 1 of the year before the academic year in which you'll enroll), the more likely it is that funds will be available.

Note: Beware of web sites that charge to help students complete the FAFSA.

You can apply for free at www.fafsa.ed.gov.

Visit UAF Financial Aid Office online: www.fafsa.ed.gov

PLEASE NOTE: Some regional scholarship deadlines have changed! Check out the chart below and apply on time!

Apply online for the FAFSA:

www.fafsa.ed.gov

UAF's Title IV code (required for the FAFSA): 001063

What else do I need to know?

- It is your responsibility to ensure that all financial aid forms and documents are submitted to the UAF financial aid office by the deadline. If you need help with the financial aid process or have questions about funding options, contact your academic advisor.
- Your classes must be paid by the fee payment deadline of September 9 to avoid paying late fees.
- After all fees, books and tuition have been paid, your remaining funds will be refunded to you via a check in the mail to your mailing address.
- Verify your financial aid status by checking your student account online at <http://uaonline.alaska.edu>.
- Get reminders and additional opportunities through the UAF Northwest Campus and Bering Strait Higher Education Connection Facebook pages. Search #uafnwc and #bshec to join!

PAYING FOR YOUR COURSES

What is the cost of taking courses?

Per-credit tuition and UA fees appear on chart at right. Courses may also require books, lab fees, materials fees, or other fees—be sure to add in those costs as well. ***Students are not considered registered until all tuition and fees are paid. Registered students may be dropped for non-payment if payments or arrangements have not been made by Friday, September 9.***

How do I know what I owe?

Stay on top of your bills to avoid late fees!

- An electronic bill will be emailed to you around the 15th of each month. It is your responsibility to check your UA email account regularly.
- View your bills at UAOnline!
 - > Go to <https://uaonline.alaska.edu>
 - > Click “Log In” and sign in to your student account
 - > Choose “Student Services & Account Information”
 - > Choose “Student Account”
 - > Choose “Account Summary By Term”

2022-2023 CRCO RESIDENT TUITION + FEES

Course level	Per-credit tuition	Per-credit UA fee	Per-credit facilities + rural fee	Example: 3-credit class
100 & 200 level courses	\$234	4% = \$9	\$26	\$807*
300 & 400 level courses	\$289	4% = \$11	\$26	\$980*
Graduate-level courses	\$539	4% = \$21	\$26	\$1,760*
*These examples do not include books, lab fees, etc.				

How can I pay for my classes?

Your advisor can help you arrange a payment plan, walk you through paying online, and provide information about payment options. You can also call the UAF Office of the Bursar if you need help: 907-454-7384.

PAY FOR YOUR CLASSES BY FRIDAY, SEPTEMBER 9. HERE'S HOW!

BY MAIL	Mail full payment to: UAF Northwest Campus, P.O. Box 400, Nome, AK 99762, Attn: Sue Luke, Business Office
IN PERSON	Visit Northwest Campus at 400 Front Street, Nome (next door to the Aurora Inn).
ONLINE	Pay with Visa/MasterCard or electronic check at www.uaonline.alaska.edu . A link to the “Statement and Payment History” page will take you to the site to pay with credit card or electronic check. (May require fee).
SCHOLARSHIPS	Notify Northwest Campus before Friday, September 9, about your scholarships or grants. If scholarship or grant funds have not been received by NWC by September 9, you will need to provide a letter indicating funds awarded so that UAF doesn't send you bills.
PAYMENT PLAN	You can set up a payment plan on UAOnline. Call the UAF Office of the Bursar if you need assistance: (907) 454-7384.
Late fees starting at \$125 will be assessed if payment, scholarships/grants, proof of scholarships/grants, or a payment plan is not in place by September 9.	

UAF DISABILITY SERVICES

UAF Disability Services provides accommodations to all UAF students, including Northwest and eCampus students.

Once approved, students are entitled to receive a variety of resources such as screen-reader software, recording of lectures, extra time on assignments and exams, and access to listening devices.

How do I enroll for services?

To be considered for UAF Disability Services accommodations, students should be enrolled for at least one credit. Students must identify themselves to UAF Disability Services, provide documentation, deliver the

letter of accommodation to the faculty at the start of each semester, and alert the Disability Services office of difficulties or problems with accommodations. NWC Advisors are available to help with this process (see page 2.)

LEARNING AT HOME, TO GIVE BACK AT HOME.

Earn your degree with NWC!

You can earn a college degree from your home! Whether in Nome or another regional community, Northwest Campus has the resources to support you on the path to your educational goals.

NWC student Karla Nayokpuk graduated in spring 2022 with a Bachelor of Arts degree in Social Work, which she earned by taking classes from her home in Shishmaref.

Karla shares that her education through UAF's Rural Human Services Department has been one of the most

rewarding experiences of her life. She made statewide connections that provided support and great networking resources.

She has grown in her personal development, gaining knowledge and tools which she can utilize to best serve the Bering Strait region.

Karla shares, *"You can do anything if you put your heart and mind into it, there are no limits!"*

Where to start?

Not sure how to make that first step? Northwest Campus advisors are available to help with everything from course selection to degree planning and more.

Director Barb Amarok presents Karla Nayokpuk with her Bachelor of Arts degree at the 2022 NWC Graduation.

Don't hesitate to reach out and ask for resources, guidance, and encouragement.

STUDENT ACCOUNT RESOURCES

Retrieve your UA ID number or username

Access ELMO—UA's Easy Login Maintenance Option!

- > Go to <https://elmo.alaska.edu>
- > Select "Lookup Username/ID and follow the directions."

Having login or technology problems? Contact our Student Services Technology Specialist, Teresa Trigg: tltrigg@alaska.edu or call toll free: 1-800-478-2202, ext. 8421, or 443-8421.

Update student account information online

It is your responsibility to keep your mailing and email addresses and phone number updated on UAOnline, so that you receive important communication from Northwest Campus and UAF.

Use your UAF student email account

Every UAF student is assigned an official UAF email account upon enrollment. Email is the *only* way some information is distributed from UA. *You are responsible for knowing and acting on the contents of all university communications sent to your official UAF email account.*

Make sure you see these emails! Here's how:

- Check your UAF email account. Not sure how to access it? Go to alaska.edu/google.
- You can forward mail from your UAF account to an email address you check frequently. Learn how here: www.alaska.edu/google/faqs/top/ (click on "How do I forward my email to another account?").
- If for some reason you have multiple UAF email accounts (e.g. a student account and a staff account), forward them to the account you check most often.

Attend class

You might be dropped if you do not attend the first class and have not received prior approval from your instructor. *If you do not plan to attend, you must drop your classes by Friday, September 9, to avoid assessment of tuition and fees. The university will drop you from your classes for non-payment.*

Check your grades regularly and access your transcripts

Provided you do not have holds on your account, you can access your unofficial transcript, midterm and final grades at UAOnline.

- Log in to UAOnline (<https://uaonline.alaska.edu>) secured area.
- Click on the following links:

- > "Student Services & Account Information"
- > "Student Records"
- > Select "Midterm Grades," "Final Grades" or "Academic Transcript" and follow the instructions.

Transcripts. You may obtain an unofficial transcript online at UAOnline or request one from a member of the NWC student support team (see inside front cover).

Order an official transcript on the web at <https://uaonline.alaska.edu> and follow the instructions.

Disability Services

UAF is committed to equal access for students with disabilities. Students experiencing a disability should contact the Disability Services Office at (907) 474-5655 or www.uaf.edu/disabilityservices/. Accommodations are determined through an interactive process that includes a completed application, documentation of the disability and essential requirements of the course.

Information Release & FERPA

Student records are governed by the Family Educational Rights and Privacy Act (FERPA). SHARE YOUR KNOWLEDGE. TEACH FOR NWC!

Do you have skills or knowledge that you'd like to teach to others? Consider becoming an adjunct instructor for UAF Northwest Campus!

In order to meet the diverse needs of the Bering Strait region, we rely heavily on adjunct instructors—part-time instructors who teach a limited number of courses. Each year, more than 60 adjunct instructors teach for Northwest Campus.

Required credentials for instructors vary widely, depending on the subject to be taught. Some departments require instructors to have a master's degree. Some require a bachelor's degree. Some require no degree at all, but do require evidence of expertise in the subject matter to be taught (e.g. a certification, relevant work experience, evidence of artwork created, etc.).

NWC adjuncts teach community interest courses, workforce training courses, and courses that are required for various degrees. Here are just a few of the many courses taught by adjuncts at NWC:

- ATV Maintenance and Repair
- Conversational Inupiaq
- Ceramics

HLRM: A JOB IN THE FIELD

The High Latitude Range Management (HLRM) program offers two levels of achievement with both an occupational endorsement and certificate. Study topics combine academic and indigenous knowledge at the local, national, and international levels to offer courses which help prepare students for entry-level jobs in the field of natural resources or to become a reindeer entrepreneur. The HLRM certificate may be used to apply for admission into advanced-level university programs.

Possible career fields include:

- Natural Resource Management
- Biologist
- Environmental Scientist

Go to page 13 for more information on our fall HLRM courses:

- > **HLRM F130:** Research Field Logistics
- > **HLRM F170:** Health Issues in Domesticated Ungulates

Final course days/dates/times will be determined in consultation with HLRM program students.

Office of Admissions and the Registrar

³ INFORMATION RELEASE

FERPA

The Office of Admissions and the Registrar is responsible for keeping student education records. The full copy of the university's policies regarding access to student records under the Family Educational Rights and Privacy Act of 1974 (FERPA) are available at www.alaska.edu/studentservices/ferpa/.

Directory Information

The university may release certain directory information to the public on a routine basis unless a student requests, in writing, that the university not release it. Forms to request that directory information not be released are available in the Office of Admissions and the Registrar.

No directory information will be released until the last day of late registration. Any request to withhold directory information will continue until a student provides permission, in writing, for the university to release such. After that, information will be released when appropriate. The names of students who have requested their directory information be withheld will not appear in the published university chancellor's and dean's lists.

The following is considered directory information:

1. Name
2. Email address
3. Home city and state
4. Weight and height of students on athletic teams
5. Dates of attendance at UAF
6. Program/major field(s) of study
7. Degrees and certificates received, including dates
8. Participation in officially recognized university activities
9. Academic and co-curricular honors, awards and scholarships received, including dates

⁴ LATE PAYMENT/REINSTATEMENT FEES

Cover payment for your class by the payment deadline to avoid late fees, drops for non-payment, and reinstatement fees.

For more information about fees, contact the Office of the Bursar at 907-474-7384.

SCHEDULE PLANNER

Use the chart below to help you plan your fall 2022 course schedule. Work with your advisor to make sure you are selecting the courses that will help you reach your academic goals. Remember to make sure you don't select two courses that meet in the same time slots! You might also want to jot down specific time periods in which you'll do homework for each course.

NORTHWEST CAMPUS CREDENTIAL PROGRAMS

NWC is offering campus credentials focused on strengthening skills and building a knowledge base for future careers. These credentials provide students with achievable recognition for completing a few courses toward a specific area of focus, from applied business and cultural knowledge to facility maintenance and education.

The Northwest Campus Advisory Council has approved these credentials to help regional residents strengthen their skills and knowledge in these areas. Students will earn a certificate of completion upon ending their program. Contact us today to learn more!

APPLIED BUSINESS: Interested in building your office skills or expanding your knowledge to supervision and management? Check out these campus credentials:

- Introductory Computer and Job Skills (3-5 credits)

In coordination with regional school districts, NWC developed the next two credentials to build skills in the classroom for substitute teachers and for current K-12 teachers to grow cultural knowledge of the region:

EDUCATION: Whether interested in early childhood or high school, this campus credential will provide base knowledge to get a start in the classroom.

- Qualified Substitute Teacher (8 credits)

CULTURAL KNOWLEDGE: Expand your knowledge of the region through this in-depth look at the culture of the Bering Strait; from traditional dress and language to the history of Alaska schooling.

- Cultural Knowledge of the Bering Strait (6 credits)

FACILITY MAINTENANCE: New this fall, NWC offers two campus credentials focused on strengthening the skills of job seekers and employees in the area of facility maintenance. It's a great way to get started in the field, and all of these courses count toward the UAF Occupational Endorsement in Facility Maintenance. See page 12 for more information.

- Interior Installation & Repair (9 credits)
- Heating & Plumbing (9 credits)

TITLE IX: KNOW YOUR RIGHTS AND RESPONSIBILITIES

“No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” — Title IX of the Education Amendments of 1972

The University of Alaska Board of Regents has clearly stated in policy that discrimination, harassment and violence will not be tolerated on any campus of the University of Alaska.

If you report discrimination, harassment or violence to any university employee, they must notify the university Title IX coordinator about basic facts of the incident.

Your choices for reporting include:

- You may access confidential counseling by contacting the Campus Health & Counseling Center;
- You may access support and file a Title IX report by contacting the UA Title IX Coordinator at (907) 474-6600;
- You may file a criminal complaint with the University Police Department at (907) 474-7721.

Even if the incident occurred off campus and the accused is not affiliated with UAF, the university must **stop, remedy, investigate and prevent** incidents by:

- Having an established procedure for handling complaints of sex discrimination.
- Offering remedies to the victim.
- Taking immediate action to ensure a victim can continue their education free of ongoing harassment or retaliation.
- If requested, a no-contact order can be enacted before a formal hearing (vs the legal process).

PUSH BACK
against **SEXUAL MISCONDUCT**

It's everyone's job to stop discrimination and assault!
