

*Tuesday Tips* is a new outreach effort by OGCA. The idea behind *Tuesday Tips* is to convey tips, tricks and other helpful information around the area of research administration. Our goal is to post on (almost every) Tuesdays. If there is something you would like to see covered on *Tuesday Tips*, email: [UAF-GCReATE@alaska.edu](mailto:UAF-GCReATE@alaska.edu). ## Limited Submission Opportunities - Updated Process

UAF's Vice Chancellor for Research (VCR) Office is working to make applying for funding opportunities easier for researchers. One recent example of process streamlining is the updates made to the Limited Submission Internal Competition process through a collaborative effort between two groups within the VCR's Office - the Office of Research Integrity (ORI) and the Office of Grants & Contracts Administration (OGCA).

These updates are meant to streamline the Limited Submission Opportunity process for UAF researchers. You can now submit your response and required attachments to limited submission internal competition calls through an online google form.

For more information and a complete list of current and recurring opportunities, please visit the [UAF Research website](#), or the [UAF OGCA Limited Submission Opportunities website](#).
