

Tuesday Tips is a new outreach effort by OGCA. The idea behind *Tuesday Tips* is to convey tips, tricks and other helpful information around the area of research administration. Our goal is to post on (almost every) Tuesdays. If there is something you would like to see covered on *Tuesday Tips*, email: UAF-GCReATE@alaska.edu. For more Tips visit [OGCA website](#).

Sample Funded Proposals

Did you know the Office of Grants and Contracts Administration (OGCA) offers a repository of sample funded proposals on its website? This repository draws on funded proposals from a number of sponsors and agencies (federal and non-federal).

OGCA encourages you to explore and use the tools provided to be your virtual assistant as you move from research and proposal development, award management and finally closeout. Scroll down to find an extensive list funded proposals and other resources relating to successful submissions.

If there is any resource you feel should be included, please let us know. We are here for your success.
