Note: Each applicant may submit multiple applications for any given semester.  
 For this report, all applications are considered. Students who applied to multiple programs are counted multiple times.  
 This report also provides the number of accepted applications, rather than the number of students who were admitted.  
 Admitted students are considered enrolled if they enrolled for credit at any UAF campus.  
 These data reflect enrollment status as of the dates specified and are not final.

Note: Each applicant may submit multiple applications for any given semester. For this report, all applications are considered. Students who applied to multiple programs are counted multiple times. This report also provides the number of accepted applications, rather than the number of students who were admitted. Admitted students are considered enrolled if they enrolled for credit at any UAF campus.

Note: Each applicant may submit multiple applications for any given semester.  
 For this report, all applications are considered. Students who applied to multiple programs are counted multiple times.  
 This report also provides the number of accepted applications, rather than the number of students who were admitted.  
 Admitted students are considered enrolled if they enrolled for credit at any UAF campus.  
 These data reflect enrollment status as of the dates specified and are not final.
