Education

- **The University of Texas at Austin**
Department of Government, Ph.D. 2001
Department of Government, M.A. 1997
- **Trinity University in San Antonio, TX**
1994 B.A. International Studies

Professional Appointments and Fellowships

2017 – 2021, Nordforsk Science Advisory Board, Joint Nordic Initiative on Arctic Research
2016 – present, Study of Environmental Arctic Change (SEARCH) Scientific Steering Committee
2014 – present, Professor of Political Science at the University of Alaska Fairbanks

- Department Chair of Political Science 2014 - 2018

2008 - 2014, Associate Professor of Political Science at the University of Alaska Fairbanks

- Department Chair of Political Science 2008-2010
- Sabbatical leave 2010-2011

2008 - 2011, 2011-2013 United States National Academies Polar Research Board Member
2010-2011 Fulbright Research Scholar, Norway – affiliated with the Center for International Climate and Environmental Research Oslo (CICERO)
2010 Arctic Studies Dickey Fellow - Dartmouth College Dickey Center for International Understanding
2004 - 2007 Research Fellow, Institutional Dimensions of Global Environmental Change (IDGEC).
University of California, Santa Barbara, USA
2001 - 2008 Assistant Professor of Political Science at the University of Alaska Fairbanks
1994-1995 Fulbright research scholar, Austria

Grants Awarded ***A portion supports of one or more graduate/undergraduate student(s)*

2016-2017 National Oceanic and Atmospheric Administration (NOAA) “Arctic sustainability research in support of the arctic policy and governance educational partnership” [contract to provide professional services to coordinate and implement projects related to arctic sustainability between NOAA and UAF] PI: A.L. Lovecraft \$98,380**

2015-2017 Co-PI Northwest Arctic Borough Science Steering Committee, “Northern Alaska Scenarios Project: Youth engagement on community sustainability” (Arctic Future Makers). PI: Doug Cost \$51,250.**

2013-2017 National Science Foundation (NSF) “The North Slope Arctic Scenarios Project (NASP): Envisioning Futures and Strategizing Pathways for Healthy Communities.” PI: A.L. Lovecraft \$954,290**

2013-2015 Co-PI, Bureau of Land Management “Scenarios Planning for energy and resource development in the North Slope Alaska” PI: Olivia Lee \$475,000.**

2013-2014 Ocean Conservancy “A Review of Planned and Proposed Infrastructure along Alaska’s Arctic Coasts.” PI: A.L. Lovecraft \$55,000**

2012-2014 Co-PI, Research Council of Norway (RCN) “Critical Aspects of Adaptive Capacity to Climate Change in the Northern Regions.” PI: Grete K. Hovelsrud 7,229,000NOK (approx. \$1,258,000 USD).**

- 2011 Co-PI, EPSCoR Integrative Faculty Research Award “Climate Change, Sea Ice, and Tourism.” PI: Steve Colt \$21,350.
- 2009-2014 Co-PI, National Science Foundation (NSF) “Collaborative Research on the State of the Arctic Sea Ice Cover: Sustaining the Integrated Seasonal Ice Zone Observing Network (SIZONET) Phase II.” PI: H. Eicken \$1,419,891**
- 2008 Government of Canada, Program Enhancement Grant “The International Polar Year in North America: Engaging the Human Dimension through Peace and Security Dialog.” PI: A.L. Lovecraft \$6,000
- 2008 Marine Mammals Commission “Human Dimensions of Marine Mammal Management in the Arctic: Implications for policy in a changing North.” PI: A.L. Lovecraft, \$10,000
- 2006-2009 Co-PI, National Science Foundation (NSF) “IPY: Collaborative Research on the State of the Arctic Sea Ice Cover: An Integrated Seasonal Ice Zone Observing Network (SIZONET).” PI: H. Eicken \$882,243**
- 2007-2008 Inland Northwest Research Alliance Water Research Consortium, “Freshwater Social-Ecological Systems: Analyzing Alaska’s Institutional Capacity for Water Security and Hydrological Change.” PI: A.L. Lovecraft, \$62,500**
- 2006 Inland Northwest Research Alliance Water Research Consortium Grant “Water Resource Management Regional Needs Assessment.” PI: A.L. Lovecraft, \$16,071**
- 2004 - 2005 Canadian Studies Faculty Research Grant “Comparative Study of Fire Policy and the Rules and Relationships between Governments and Indigenous People.” PIs: A.L. Lovecraft and S. F. Trainor \$6,700
- 2004 - 2007 National Science Foundation (NSF) Grant “Understanding Northern Sustainability Debates: the Politicization of Science for Natural Resource Policymaking.” PI: A.L. Lovecraft \$120,000**
- 2003 - 2006 Co-PI, NSF Grant “Fire-Mediated Changes in the Arctic System: Interactions of Changing Climate and Human Activities.” PI: Terry Chapin \$1,140,000**
- 2003 Graduate School of University of Alaska Fairbanks Grant for Online Course Delivery, used to develop NORS 656 Science, Technology, and Politics for simultaneous web delivery. \$5,000
- 2002 Graduate School of University of Alaska Fairbanks Grant for Website Development, used to develop the Political Science Department website. \$5,000
- 2002 Canadian Studies Program Enhancement Grant “The Cross-cultural Politics of Nunavut Territory.” PIs: A.L. Lovecraft, C. deWit and L. Rank. \$5,770
- 2001 Grants to attend *Canada Institute* July 11-22, 2001. I was a UAF representative competitively selected to attend this institute for Canadian studies and research development. I received an award from the Government of Canada and UAF.

Honors and Awards

- 2015 Pi Sigma Alpha (political science honor society) faculty educator and advisor award
- 2009 Finalist, University of Alaska Fairbanks Usibelli Award for Distinguished Research
- 2008 The Ecology Society of America Sustainability Science Award for the paper: Chapin, F.S., III, A.L. Lovecraft, E.S. Zavaleta, et al. 2006. Policy strategies to address sustainability of Alaskan boreal forests in response to a directionally changing climate, *PNAS*
- 2004-2007 National Science Foundation (NSF) Experimental Program to Stimulate Competitive Research (EPSCoR) Phase II Grant in support of competitive research capacity. Early Career Award, \$78,440
- 2004 Honorarium, Brookings Institution for Presentation “Perspectives on Public Expectations & the Politics of National vs. Alaskan Wildfire Management.” \$1,000
- 2003 United Academics College of Liberal Arts Exceptional Performance Award for “Exemplary Engagement Across Social Science Disciplines.” \$2,500

- 2003 NSF Experimental Program to Stimulate Competitive Research (EPSCoR) Phase II Seed Grant recipient for research on human-fire interactions and data integration. \$6,779
- 2003 Canadian Studies support award to represent UAF in Canada Week March 8-10 in Anchorage, AK. The award was from the Canadian Consulate in Seattle, WA.
- 2002 Canadian Studies support award to represent UAF in Canada Week March 6-9 in Anchorage, AK. The award was from the Canadian Consulate in Seattle, WA.
- 2001 Awards to attend Canada Institute July 11-22, 2001. I was a UAF representative; received an award from the Government of Canada as well as a supplementary award from UAF.

- 2004 April, "Transnational Water Quality and Subsistence Hunting: Modeling Interlocal Natural Resource Institutions Under Both Complex and Remote Conditions" *Midwest Political Science Association.*
- 2004 March, "Perceived Communities: Creating Institutions for Interlocal Natural Resource Cooperation" *Western Political Science Association.*

- 2003 September, “Policy Studies Leverage for Concerns of Long Term Ecological Resilience,” Understanding Coupled Biophysical and Human Systems: Research Needs and Approaches Workshop at the *Long Term Ecological Resilience All Scientists Meeting*.
- 2003 August, “Sustainability of Common Arctic Resources through Transboundary Institutions,” *International Association for the Study of Common Property, Northern Polar Regional Conference*.

Panel or Session Chair

- 2014 May, Session Chair and moderator, “Climate Change, Gender, and Well-being in the Arctic” *International Conference of Arctic Social Sciences (ICASS 8)*.
- 2013 May, Workshop co-organizer, co-chair, co-moderator, presenter “Workshop on Climate Change Adaptation and Gender” Tromsø, 27-28 May.
- 2011 June, Session Chair “Human Dimensions of Change to Arctic Sea Ice” *International Conference of Arctic Social Sciences (ICASS 7)*.
- 2009 March Panel Chair “Animal Ethics, Public Policy and Political Theory” *Western Political Science Association*.
- 2007 March, Panel Co-Chair with Peter Schweitzer “International Collaboration for the International Polar Year” *Alaska Anthropological Association*.
- 2006 December, Panel Chair “Water Governance” *Institutional Dimensions of Global Environmental Change (IDGEC) Synthesis Conference*.
- 2005 October, Panel Co-Chair with Tun Mynt “Local, Regional, and International Institutions to Reduce Conflict and Increase Capacity for Restoration, Protection, and Usage of Transboundary Waters” *6th Open Meeting of the Human Dimensions of Global Environmental Change Research Community*.
- 2004 May, Session Chair “Science and Society in the Arctic” *International Arctic Social Sciences Association 5th International Congress (ICASS 5)*.

Discussant or Moderator (see also moderation above)

- 2008 Moderator, “Good practices in local climate change adaptation: Youth and the Elderly” *Arctic Council Sustainable Development Working Group Workshop: Vulnerability and Adaptation to Climate Change in the Arctic*, 22-23 October, Tromsø, Norway.
- 2007 March, Discussant “Managing International Waters” *International Studies Association*.
- 2004 August, Discussant “Historical Analysis of Socio-ecological Systems” *Tenth Biennial Global IASCP (International Association for the Study of Common Property) Conference*.
- 2004 April, Discussant “Advocacy Coalitions and Networks II” *Midwest Political Science Association*.
- 2003 June, Moderator, “Effective Local Institutions: Trans-Boundary Comparisons,” Effective Local Institutions for Collective Action in Arctic Communities Conference at the *Annual Public Administration Theory Network Conference*.
- 2003 March, Discussant, “Revisiting Seminal Views of the Environment” *Western Political Science Association*.

Invited Talks

- 2016 Speaker “Anticipatory Governance in Social-Ecological Systems: Researching Community Health and Sustainability in Arctic Alaska” at *Sustainability Science Centre Lecture Series*, University of Copenhagen, Denmark, 24 May.
- 2016 Plenary Speaker and panelist at *American Indian Workshop*, University of Southern Denmark, Odense, 25-28 May.
- 2016 Guest Instructor at Middlebury Monterey Institute of International Studies for graduate course *The Changing Arctic: Ecosystems, Economy, and Geopolitics*, Monterey, CA, 9 April.

- 2015 Speaker/Workshop participant “Scenarios Work on Alaska’s North Slope” *Arctic Futures Initiative Workshop*, IIASA, Laxenburg, Austria 1-3 December.
- 2014 Speaker “The Value of Scenarios for Arctic Futures: Facilitating Expert Dialog Across Scales and Interests” *The TransArctic Agenda Conference*, University of Iceland, 29-30 October.
- 2014 Speaker and working group member “Regional Scenarios Development in Alaska’s North Slope” Arctic Scenarios Workshop, *Arctic Monitoring and Assessment Programme and International Institute for Applied Systems Analysis (IIASA) Austria*, 19-20 May.
- 2013 Speaker “The Sea Ice System Services Framework” *White Arctic Blue Arctic Workshop*, Columbia University, 24-25 April.
- 2012 Speaker “North by 2020: Perspectives on Alaska’s Changing Social-Ecological Systems” University of Alaska Anchorage Bookstore, Anchorage, AK 13 March.
- 2012 Speaker “Gender, Well-being, and Climate Change in the Arctic” Institute of Social and Economic Research, University of Alaska Anchorage, Anchorage, AK 13 March.
- 2011 Speaker “U.S. Electoral Politics: What will happen in the 2012 elections?” University of Lapland, Finland, Faculty of Social Sciences 6 May.
