SEMESTER _____ **COMPLETED**

Due to the compressed time frame of the UAF Summer Sessions, the maximum credit load over the full session is 15 credits. This is consistent with the 18-credit maximum allowable during the fall and spring semesters. The weekly equivalent of 1-1/4 credits is especially useful in figuring overload status during the summer when courses vary in length occur.

Enrollment exceeding 1-1/4 credits per week requires a 3.0 cumulative grade point average and approval by an advisor.

Submit completed form to the Registrar's office when requesting summer enrollment in excess of 1-1/4 credits per week.
