IF YOU HAVE QUESTIONS**

TO PREPARE

1. Room selection is the process of choosing your room for next year. This process is made up of lottery times which are based on your application date and, if applicable, your matched roommate groups.
2. Be sure to clear any holds you have with the University as you will not be able to select a room if you have any holds.
3. Current residents do not need to make a payment to select a room. All fees for room and board are due in the Fall

HIGHLIGHTS

- To qualify for on-campus housing, you must be enrolled in at least 9 credits and degree seeking.
- First Year students have an option to live in Eileen, Lathrop, Wickersham, Bartlett, or Moore.
- Non-First Year students have the option to live in Eileen, Moore, Cutler, or Lathrop.
- Limited single rooms will be available during room selection.
- Priority is given to roommate groups. Individuals select rooms last and may not be able to retain their current space.

At UAF, living on campus means you have all the resources and support to be personally and academically successful. We strive to make everyone feel accepted and included. That's **Nanook Nation**.
