### CHANGE COURSE (MINOR)

**MINOR COURSE CHANGES INCLUDE ONLY THE FOLLOWING:**

1. Frequency of offering.
2. Minor editorial changes in title and/or course description.
3. Jointly approved proposals for cross-listing current courses. (Requires approval of both departments and deans involved. Add lines at end of form for additional signatures.)
   
   (Stacking of 400/600 level courses is NOT considered a minor change.)
4. Change in course number that does not involve a change in lower/upper division status.
5. Internal departmental changes in NON-CORE course prerequisites. Changes MUST NOT affect courses (or degree programs) offered by other departments.

If changes cannot be considered "Minor" (as defined above), use the FORMAT 2 - CHANGE COURSE (MAJOR) and DROP COURSE form.

Remember to submit a Program Change form (Format 5 or 5A) if appropriate.

Catalog deadlines apply. Send Minor Change requests directly to the Registrar's Office after Dean's approval. (Please send informational e-copy to the UAF Governance Office.)

JUSTIFICATION FOR ACTION REQUESTED

The purpose of the department and campus-wide curriculum committees is to scrutinize course change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a prerequisite, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the course is not compromised as a result.

Use of the MA designator will help Medical Assisting students identify core courses in the Medical Assisting Certificate and AAS degrees.
See memo dated September 2016 to Michele Stalder and Mike Earnest requesting use of MA designator.
