Justify upper/lower division status & number of credits:

- This course builds on the oral and written communication core and introduces students to the unique communication needs of rural development practitioners. Course is the foundation of the Rural Development communications plan and meets the requirements for a 3 credit 200 level course.

3. **PROPOSED COURSE TITLE:**

- Communicating for Rural Development

4. **To be CROSS LISTED?**

- YES/NO

If yes, Dept: [ ]  Course # [ ]

NOTE: Cross-listing requires approval of both departments and deans involved. Add lines at end of form for additional required signatures.

5. **To be STACKED?**

- YES/NO

If yes, Dept: [ ]  Course # [ ]

How will the two course levels differ from each other? How will each be taught at the appropriate level?:

* Use only one Format 1 form for the stacked course (not one for each level of the course!) and attach syllabi. Stacked course applications are reviewed by the (Undergraduate) Curricular Review Committee and by the Graduate Academic and Advising Committee. Creating two different syllabi (undergraduate and graduate versions) will help emphasize the different qualities of what are supposed to be two different courses. The committees will determine: 1) whether the two versions are sufficiently different (i.e. is there undergraduate and graduate level content being offered); 2) are undergraduates being overtaxed?; 3) are graduate students being undertaxed? In this context, the committees are looking out for the interests of the students taking the course. Typically, if either committee has qualms, they both do. The purpose of the department and campus-wide curriculum committees is to scrutinize course change and new course applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. Use as much space as needed to fully justify the proposed course.

The Faculty Senate passed the motion to replace the O and W system with department based communications plans at Faculty Senate Meeting #210. These plans are to be implemented in the 2017/2018 academic year. This courses is the foundation of the Rural Development communications plan and will introduce students to the specific types of oral and written communication techniques they will be required to use in the rural development program.
