Articulation Agreement
2018

University Alaska Fairbanks  Iditarod Area School District
Interior Alaska Campus  PO Box 90
4180 Geist Road  McGrath Alaska 99627
Fairbanks, Alaska 99709

Purpose:
In addition to the current Tech Prep Agreement between University of Alaska Fairbanks and Iditarod Area School District, we have agreed to add the following course that is within UAF Construction Trades Technology (CTT) Program:

1. Iditarod Area School District will follow a UAF CTT curriculum in coordination with the administration and faculty of the University of Alaska Fairbanks pertaining to the following courses on the course below.
2. Iditarod Area School District will teach for the attached outcomes.
3. The attached syllabus will follow the learning outcomes of the university-approved course listed.

**CONSTRUCTION TECHNOLOGY CORE**  
**COURSE OUTLINE**

Course Title: **Construction Technology Core**  
Course No: CTT 100  
NCCER Module/s No.: 00101, 00103-00105  
Credits: 3 (53 contact hours) – 33 lecture & 20 lab  
Prerequisites: None  
Instructor: Christopher Matthew Shelborne  
Location: McGrath, AK  
Times: Monday-Friday 9:00am-3:30pm  
Office: Office hours will be available on first day of class

**COURSE DESCRIPTION:**
This course introduces basic construction techniques using OSHA approved standards by stressing how to follow safe work practices and procedures, how to safely use hand and power tools, and how to extract information from construction drawings.

This course is divided into four (4) modules. Each module must be successfully passed. Generally, each module will have two (2) components. All will have a written portion including a final exam. Most modules will require hands-on demonstration of achieved competencies related to the module.

**Basic Construction Safety**  
NCCER Module No.: 00101 – Basic Safety

**Module Description:**
This module introduces basic construction safety using OSHA approved standards by stressing how to follow safe work practices and procedures, proper inspection of safety equipment before use, and the proper use of safety equipment.

**Learning Objectives:**
Upon successful completion of the module, the participant will be able to:
1. Identify the responsibilities and personal characteristics of a professional craftsperson.
2. Explain the role that safety plays in the construction crafts.
3. Demonstrate the use and care of appropriate personal protective equipment.
4. Describe and demonstrate safe behavior on and around ladders and scaffolds.
5. Describe fire prevention and fire-fighting techniques around a construction site.
6. Explain the importance of the HazCom (Hazard Communication Standard) requirements and MSDSs (Material Safety Data Sheets).
7. Define safe work procedures around electrical hazards.

**Performance Objectives:**
Under the supervision of the instructor, the trainee should be able to:
1. Inspect personal protective equipment (PPE) to determine if it is safe to use
2. Properly don and remove personal protective equipment

**Module Content:**
1. The Craft Professional
2. Causes of Accidents on the Construction Site.
4. Construction Site Job Hazards.
5. Working Safely with Job Hazards.
6. Personal Protective Equipment.
7. Aerial Work.
10. Electrical Safety.

************************************************

**Introduction to Hand and Power Tools**

NCCER Modules No.: 00103-Introduction to Hand Tools
00104-Introduction to Power Tools

**Module Description:**
These modules introduce basic hand and power tools used in construction and maintenance and stress the importance of their care and use. They provide valuable safety information for each type of tool discussed. Understanding proper usage helps trainees to prevent accidents. They also introduce some specialty tools used by different crafts.

**Learning Objectives:**
Upon completion of the modules, the participant will be able to:
1. Recognize and identify some of the basic hand tools used on the construction site.
2. Use these tools safely.
3. Describe and demonstrate the proper procedures for taking care of these tools.
4. Identify commonly used power tools of the construction and carpentry trade.
5. Demonstrate correct and safe use of the power tools.
6. Demonstrate proper maintenance of power tools.

**Performance Objectives:**
Under the supervision of the instructor, the trainee should be able to:
1. Visually inspect commonly used hand tools to determine if they are safe to use
2. Safely and properly use commonly used hand tools
3. Safely and properly operate an electric drill
4. Safely and properly operate a circular saw
5. Safely and properly operate a bench grinder
6. Safely and properly a portable belt sander
7. Safely and properly operate a pneumatically powered nailer (nail gun)

**Module Content:**
1. Hammers.
2. Screwdrivers.
4. Ripping Bars and Nail Pullers.
5. Wrenches.
6. Pliers and Wire Cutters.
8. Vises and Clamps.
12. Grinders, Sanders, and Air Nailers.

Introduction to Blueprint Reading
NCCER Module No.: 00105-Introduction to Blueprint Reading

Module Description:
This module introduces basic blueprint terms, components, and symbols. It presents different types of construction drawings commonly used on job sites and describes why each type of drawing is important. This module covers standardized information contained on blueprints such as identification, revision status, symbols, project titles, dimension, and scale.

Learning Objectives:
Upon completion of the module, the participant will be able to:
1. Recognize and identify basic blueprint terms, components, and symbols.
2. Relate information on blueprints to actual locations on the print.
3. Recognize different classifications of drawings.
4. Interpret and use drawing dimensions.

Performance Objectives:
Under the supervision of the instructor, the trainee should be able to:
1. Extract requested information from a set of construction drawings

Module Content:
1. Introduction to Blueprints.
2. Components of the Blueprint.
3. Scale Drawings.
4. Lines of Construction.
5. Abbreviations, Symbols, and Keynotes.
6. Using Gridlines to Identify Locations.
8. Dimensions.
9. Layout of Common Structure
Method of Grading for Complete Course:
Pass/fail_______ Letter Grade ___ X ___ Other _________ (explain)
Grade will be based on the following:
   Attendance .......................... 20%
   Lab/Participation....................30%
   Examination ........................40%
   Skill Mastery ........................10%

Course Grading Requirements:
A letter grade will be issued for participants who successfully complete the course.
Written tests will be given at the end of each section to test the knowledge of the participant.

Letter grade criteria:  91 to 100%    = A letter grade
                      81 to 90%    = B letter grade
                      71 to 80%    = C letter grade
                      60 to 70%    = D letter grade
                      Less than 59% = F letter grade

Facilities Required:
Classroom capable of seating 15 participants with comfortable chairs and work
 tables/desks, overhead projector/LCD projector, wipe boards, TV Monitor and VCR,
 marking pencils, and standard instructional equipment.

Lab Supplies Required:
Lab equipment will consist of various PPE, drawings, hand and power tools, and
 miscellaneous building materials and fasteners.

Support Services
The University has many student support programs. If you need assistance please
contact any of the following service programs or departments.

UAOnline
http://uaonline.alaska.edu/
Your resource for transcripts, accounts, and other personal information.

Rural Student Services
http://www.uaf.edu/ruralss/
Rural Student Services (RSS) is an academic advising department with over 35 years of experience in working with students from all over the state of Alaska. We are here to assist you in achieving student success by linking you to current information pertinent to your education, lifestyle, and goals. RSS is known for its welcoming and friendly environment. Many students find a meaningful connection at UAF through RSS.

We can help you with:
* Academic Requirements
* Registration for Classes
* Finding Financial Aid
* Explaining Housing Options
* Declaring a Major
* Career Exploration

CONTACT US AT:
P.O. Box 756320, Fairbanks, AK 99775-6320
1-888-478-1452 (Toll Free within Alaska) or (907) 474-7871
Email us at fyrss@uaf.edu

Math Help Line
Contact UAF’s toll-free Math Hotline for problem solving and math help. Call 866-823-6284 (1-866-UAF-MATH) during regular fall and spring semesters.

Writing Center
http://www.alaska.edu/english/studentresources/writing/
The Writing Center is a student-staffed, student-oriented service of the English Department.

801 Gruening Bldg., P.O. Box 755720
Fairbanks, Alaska 99775-5720
Phone: (907) 474-5314
Fax: 1-800-478-5246

* The UAF Writing Center and Computer Lab offers free writing tutoring to any student in any subject via telephone and fax or over the Internet. Students can call 907-474-5314 for information on how to fax a paper and have it tutored over the telephone, or engage in an interactive Internet session. Both services are free.

Library Services for off campus students
http://library.uaf.edu/offcampus
Off-Campus Library Services is a unit set up to serve rural UAF students and faculty who do not have access to appropriate information resources in their town or village. We work in support of The College of Rural & Community Development and The Center for Distance Education and Independent Learning.

We can supply your information needs for the courses you are taking. For example, if a research paper is required in the teleconference or correspondence course that you are
taking, you can contact us, explain your information need, and we will send library materials to you so that you can write your paper.
Contact us at
Off-Campus Services, Elmer E. Rasmuson Library
310 Tanana Loop, PO Box 756800
Fairbanks, Alaska USA 99775-6800
Phone: 1-800-478-5348 Email: fyddl@uaf.edu

Computer, Internet, and software

Problem: you cannot get your email

Make sure your Internet connection is working; to test it, you can try to go to a new web page and see if it loads.

- If you are having problems with a UAF account, you will need to contact the UAF help desk 1.800.478.4667. If it is another company’s account, you will need to contact their customer support. There is very little we can do to assist you as we have no control or access to the computers that serve the email.
- Check with your email program’s Help.

Problem: you forgot your password

- Only the organization that issued your password can do anything to change it. You will need to contact them. For UAF email and Blackboard it is the UAF help desk 1.800.478.4667. For most web services there is a link you can click if you forgot your password. I also recommend writing them down somewhere for backup.

Problem: you are having problems with Blackboard

- You will need to contact the Blackboard administrator, at:
  http://classes.uaf.edu/ Office of Information Technology Help Desk 474.6564 or 1.800.478.4667

Elluminate Live

If you have questions about Elluminate! Live I strongly encourage you to visit the following page:

http://community.uaf.edu/ehelp Steps needed to prepare you for your first distance education course session.
http://distance.uaf.edu/archives/research/subresearch/elluminate-live.php

There you will find
- a direct link to Elluminate! Server
- how to connect your headphone/microphone to your computer
- help finding and activating your UAF ID
- a printable quick reference guide

**Disabilities Services**

We will work with the Office of Disability Services to provide reasonable accommodation to students with disabilities. Disability Services provide a variety of services to assure equal access for all students. Interpreting services, educational assistants, note taking, and exam accommodations for students are the most frequently provided accommodations. Disability services also provides assistance to the university's rural campuses; Tanana Valley Campus, Bristol Bay, Chukchi, Interior-Aleutians, Kuskokwim, and Northwest.

The staff of Disability Services works with faculty in arranging appropriate services in the classroom. Questions should be directed to the Director of Disability Services at (907)-474-5655.

Phone: (907) 474-5655 | TTY: (907) 474-1827 | Fax: (907) 474-5688 | E-mail: fydso@uaf.edu
A Division of Student and Enrollment Services (SES)
UAF is an affirmative action/equal opportunity employer and educational institution.

Every qualified student is welcome in my classroom. As needed, I am happy to work with you, disability services, veterans’ services, rural student services, etc to find reasonable accommodations. Students at this university are protected against sexual harassment and discrimination (Title IX), and minors have additional protections. As required, if I notice or am informed of certain types of misconduct, then I am required to report it to the appropriate authorities. For more information on your rights as a student and the resources available to you to resolve problems, please go the following site: www.uaf.edu/handbook/
