**JUSTIFICATION FOR ACTION REQUESTED**

The purpose of the department and campus-wide curriculum committees is to scrutinize course change applications to make sure that the quality of UAF education is not lowered as a result of the proposed change. Please address this in your response. This section needs to be self-explanatory. If you drop a prerequisite, is it because the material is covered elsewhere? Use as much space as needed to fully justify the proposed change and explain what has been done to ensure that the quality of the course is not compromised as a result.

**This course will no longer be a core requirement for the ANS major beginning AY 17/18 and we therefore need to change the language to "as demand warrants" allowing us flexibility for offering the course during our three year rotation of electives. We will continue to offer as long as needed for students who need the course or approve a substitute for them.**
